AI help you unlock your store's full potential today **Successful Business Model Transformations in Disruptive Times** Thomas Rudolph, Markus Schweizer, 2024-06-17 The authors offer solutions for established corporations facing disruptive challenges. Based on extensive research and discussion, a unique management approach—the High 5 approach—has been developed to promote successful self-disruption in established corporations. At the center of this approach is the transformation of the core business. The book supports the idea of permanent self-disruption as the key to success for established players. *Successful Business Model Transformations in Disruptive Times* is aimed at the management of various industries. This book provides managers in established corporations with a theoretically sound and practical guide.

[Understanding Business Ethics](#) Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 *Understanding Business Ethics* Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment. Authors Peter A. Stanwick and Sarah D. Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks: a global perspective, real-world business cases, comprehensive ethics topics, and a consistent theme linking each chapter. Whether it's uncovering the intricate relations between businesses and their stakeholders, discussing the effects of financial reporting, or exploring the ethical implications of information technology, marketing, human resources, and the natural environment, this textbook equips readers with a robust ethical framework for the business world. Additionally, the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions. This text is offered in Sage Vantage, an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. Unparalleled in its ease of use and built for dynamic teaching and learning, Vantage offers customizable LMS integration and best-in-class support. Watch this video walkthrough and see how Vantage works. [Technical Writing](#) Phillip A. Laplante, Chris Laplante, 2025-11-25 *Technical Writing: A Practical Guide for Engineers, Scientists, and Nontechnical Professionals* enables readers to write, edit, and publish materials of a technical nature, including books, articles, reports, and electronic media. Written by experienced practicing engineers, this guide complements traditional technical writing manuals through the presentation of firsthand examples that help readers understand practical considerations in writing and producing technical content. These examples illustrate how a publication originates as well as explain various challenges and solutions. The third edition features the following: New and updated exercises, examples, and case studies; New content on software systems documentation; Treatment of plagiarism to incorporate issues in generative artificial intelligence; AI open access archiving; and more. Coverage of popular writing and collaboration tools such as Grammarly, Overleaf, and Google Docs; Increased conversation of writing for non-native English speakers; Latest standards and research. Written in an informal, conversational style unlike traditional writing texts, this book contains many interesting vignettes and personal stories to add interest to otherwise stodgy lessons. It is aimed at students and professionals in the science and engineering domains. [Co-Intelligence](#) Ethan Mollick, 2024-04-02 *AN INSTANT NEW*
