The Ultimate Guide to Becoming a Fashion Makeup Artist Christabel Draffin, 2021-05-12 How to succeed in the difficult to break into and highly competitive world of fashion and editorial makeup by an international makeup artist with 20 years of experience in that field. This is a book about the business of becoming a fashion editorial makeup artist. Once you know how to apply makeup that's just the beginning but figuring out the process to building a career as a successful makeup artist in fashion especially how to earn money doing makeup is very difficult. Few people already in the industry will talk about it and even interviews with successful makeup artist aren't much help. This book breaks down the repeatable process of how you launch yourself in the fashion industry in a practical hands on way with plenty of tips and tricks by someone who has done it. After over 20 years as a fashion makeup artist working internationally and after assisting top makeup artists working at the highest level for many years Christabel Draffin has had the experience to guide you to the career that you want and to answer questions like How do I build my editorial portfolio? How will I earn money as a makeup artist? How do I get my first client? How do I know if and when I should work for free? How do I support myself whilst building my portfolio and networking? How do I network within the fashion industry especially if I don't have any industry contacts? How do I get assisting work? How do I build relationships with beauty brands? How do I use social media to leverage my career? How do I get an agent to represent me? It also covers how to manage different life circumstances such as having children living in a smaller city, moving to a new country and how to get back on track when work is quiet for a period of time. About the Author Christabel Draffin is an international fashion makeup artist and author who has over 20 years experience working in Paris, Sydney, the US and London. Her work has appeared regularly in magazines like Vogue, Harper's Bazaar, ELLE, Glamour, Marie Claire and L'Uomo Vogue amongst many others as well as working for clients like Dior, Lanvin, Illamasqua and L'Oréal. She is agency represented in London and works on a mixture of celebrity, red carpet, fashion shows and editorial and advertising shoots.

Instagram has grown to be one of the largest social media platforms. With over 700 million monthly users, it is the gateway between you and your soon-to-be customers or clients. I knew I needed to figure out Instagram. So I started doing some research. That research went from just looking at a few blog posts and Instagram accounts into a massive passion project. While I did start this as a blog post, The Ultimate Guide to Instagram, it continued to grow. The more research I did, the more I have. To date, I have over 250 hours of research into Instagram. I found that none of the blog posts, books, or reports I read had much outside of a few hacks or one specific thing. This frustrated me, so I started to piece every piece of information I could find on Instagram together. After that blog post passed 6,000 words, I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand. So follow along in this Instagram Guide and learn the basics and more. The following are some of the topics covered within the InstaGuide:

- How to create an Instagram account
- How to use analytics
- Business Tools within Instagram
- What do I post to Instagram?
- What are hashtags and how do I use them?
- What should I post in my Instagram captions?
- What is a GeoTag?
- How often should I post on Instagram?
- Should I repost other people's posts on Instagram?
- What can I do with an Instagram video?
- What do I do after I post to Instagram?
- What is Instagram Stories?
- How do I use Instagram Live?
- How to use Instagram Direct Messages

That is not all. I have also included some of the best Instagram hacks to grow your following and increase your engagement online. This book also comes with some FREE bonus content, including Video trainings, PDFs, Photoshop Templates for Instagram, and so much more. The bonus package is web-hosted, so you will be able to have 24/7 access to it. It will also allow me to keep updates and other tools you need available for you.

Then you've found the right book. This guide will teach you the essentials of marketing on Instagram that you can use time and time again.

Marketing and campaigning through Instagram is another avenue for reaching people and turning them into loyal customers while delivering a top quality services and products. The fact that it's used globally is a huge benefit for being able to reach customers. But another key element that comes into play is the visuals that Instagram is known for. If you want to make the most of Instagram for making your services known, then THIS is what you'll want to read. In this guide, you'll find The essentials of Instagram and how to get started, How your marketing efforts can benefit using Instagram, The elements of creating your own brand, Creating an outstanding bio and how a top quality one makes a difference, How to pick a profitable niche and pursue it, The ideal times to post content that help generate leads, and how you can take advantage of trending topics, How to create high quality content on Instagram including how it drives followers, Finding apps that help make content creation easier, The methods that you can use to earn money through Instagram, Using stories and contests as a means to generate leads and sales especially for your brand, How you can have well known people and brands stand behind your

marketing efforts to help your brand grow The importance of Instagram algorithms and how they work How you can track report and break down the data that's relative to your ad campaign and use this to forecast future data Plus so much more If you own a business then it's about time that you started taking advantage of the opportunities that websites like Instagram provides and help grow your business organically by capturing your audience's attention So scroll up and preview this book and then click the button Buy Now to jump start your reach to new customers today [Instagram Secrets](#) Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn't an eCommerce business and so Instagram isn't the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You're a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother's ward with beautiful birthing and stay suites with a spa like feel 3 You're a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we'll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram's back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won't care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn't logged in for a while they won't have to scroll through outdated and no longer relevant posts They'll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram

approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [The Ultimate Instagram Guide to Get More Followers Fast: Using IGTV, Stories and Hashtags](#) Emma Jones,2019-11-13 Do you want MORE FOLLOWERS on Instagram Looking for Instagram Marketing tips Or how to create Instagram Content But yet you have NO IDEA where to even start on Instagram to get more followers build your brand or get results Perhaps your engagement is down and you feel you aren t reaching your existing followers either Whatever your situation may be This quick Instagram marketing guide will give you the step by step guidance you need to start growing your Instagram followers fast In this guide you ll discover How to get instagram followers for free Tips on how to get REAL high quality followers for freeHow to get more followers using IGTV Instagram TV Instagram followers hack using hashtags How to use hashtags to grow your following and build your brandHow to use Instagram Stories Marketing Tips to grow your following build your brand and engage your existing followingInstagram Growth Business Tips Pro Tips from the author showing you how to get the most out of this platformAs an online marketing expert originally building her biggest social media following on Facebook Emma Jones has seen the rise of Instagram multiply over the years Now being a platform that simply cannot be ignored Emma shares her wealth of experience with quick simple tips that you can start using today Whether you re looking for tips on Instagram for beginners or you re a bit more advanced and have used it for sometime but you re seeing your engagement drop this guide is for you Are you ready to get more real authentic followers on Instagram Then scroll back up now and hit the BUY Button
