Sales and Revenue Generation in Sport Business David J. Shonk, James F. Weiner, 2021-10-21 The ability to generate sources of revenue continues to be the most important skill for individuals working in the sport industry. Sales and Revenue Generation in Sport Business With HKPropel Access provides a comprehensive overview of the many ways in which sport organizations generate revenues and it teaches students the practical concepts they will need for success. Going beyond theoretical concepts of sales and sales management the authors present an applied approach to revenue generation in sport. the PRO method of sales PROspect PRObe PROvide PROpose PROtect Students will learn how this proven five step process for generating revenue is applicable across all avenues in sport business including ticket sales, broadcasting and media revenue sponsorships, corporate giving and foundation revenue, fundraising and development, grant writing, concessions, merchandising and social media. The text covers how this sales strategy can be applied across the broad industry of sport from professional sport and intercollegiate and interscholastic athletics to amateur sport and organizations in recreational settings equipping students for meaningful careers with longer lasting success within any segment of the sport industry they enter. Throughout the text themed sidebars provide examples of industry best practices and successful sales strategies. Case studies in each chapter plus discussion questions enhance the learning experience. Plus related online learning activities delivered through HKPropel offer practical interactive scenarios that will better prepare students to enter the sport industry. Organized by function of revenue generation each section offers a video an interactive scenario activity that can be assigned by instructors and sales script templates that may be downloaded and edited for a specific application. Sales and Revenue Generation in Sport Business is designed to give students the practical knowledge they need to understand the sales process and how to successfully apply the PRO method of sales. Armed with this foundational knowledge they will be better prepared to begin and succeed in a career in sport business. International Sports Law and Business Aaron N. Wise, Bruce S. Meyer, 1997-05-23 This comprehensive three volume set focuses on the legal and business aspects of sports in the United States and abroad. The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail. This book is composed of five parts. Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports. Part II deals with the internationalization of sports from various perspectives principally North American team sports. Part III explores the law and business of sports in 18 non U.S. jurisdictions subject matter hardly covered in other sources if at all. Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions. Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives. This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works presents insiders

perspectives on the subject matter and focuses extensively on international aspects of sports law and business in connection with many different subjects Among its exhibits International Sports Law and Business includes a World League of American Football Standard Player Contract form a sample World League of American Football Acquisition and Operation Agreement Statute of Court of Arbitration for Sport and Regulations It also includes a comprehensive index
