## Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

Theme-based Nonfiction Reading Comprehension

Linda Ramke, 2003 With the increased focus on literacy in the classroom it is more important than ever to provide students with interesting reading activities. These reading activities should help develop students' fluency, vocabulary, and comprehension. This book has been written thematically. The use of themes increases reading comprehension skills by focusing students' attention on one subject rather than having to adjust their thoughts to several. The activities reinforce comprehension skills such as finding the main idea, summarizing, inferencing, comparing and contrasting, sequencing, and cause and effect. The activities include a variety of multiple choice, fill-in-the-blank, short answer, and long answer questions.

*50 Active Learning Strategies for Improving Reading Comprehension* Adrienne L. Herrell, Michael Jordan, 2002 This book incorporates the strongest and most current research available to help teachers actively involve their students in the reading comprehension process. Teachers receive expert guidance in a step-by-step format that clearly states and fully illustrates each of the 50 strategies. It delivers must-have information that enables teachers to assess their students' current strategies. A six-section organization enables teachers to easily access appropriate strategies for specific teaching.
