Sociology 0205206530 9780205206537 NEW MySocLab with Pearson eText Valuepack Access Card *From Marx to Warner* Jacek Tittenbrun, 2018-04-18 The book offers an in depth analysis of several important theories of social class and stratification both past and present. This critique is underpinned by a single coherent analytic framework organised around the notion of ownership. This original approach allows the book to offer alternative treatments of the issues dealt with by the thinkers discussed here. The central argument here is that there are only two classical theories of social class namely those developed by Marx and Weber and this clear systematisation of the main attributes of approaches to class and stratification makes it possible to see that many theories traditionally considered as class ones refer in fact to social stratification.

**Sociology** James M. Henslin, Keith Christopher Hampson, 2004      **Sociology** James M. Henslin, 2012 *Down to Earth Approach* Adapted from Henslin's best selling comprehensive text *Core Concepts* provides in depth coverage of ten high priority topics that are the foundation of many introductory sociology courses. This unique paperback offers a concise and economical format without sacrificing depth of coverage. Unlike a brief or essentials text the ten chapters that make up *Core Concepts* are not edited down from a longer book. Instead they provide full coverage of those topics that instructors emphasize the most in a one semester or one term introductory sociology course. Like Henslin's other texts it features the author's familiar down to earth approach and personal writing style that highlight the sociology of everyday life. With wit, personal reflection and illuminating examples Henslin shares with readers a passion for sociology unmatched by any other introductory text. What is the Pearson Census Update Program? The Census Update edition incorporates 2010 Census data into a course simply and easily. The components of the Census Update Program are as follows: *Census Update Edition* Features fully updated data throughout the text including all charts and graphs to reflect the results of the 2010 Census. This edition also includes a reproduction of the 2010 Census Questionnaire for your students to explore in detail. *2010 Census Update Primer* A brief seven chapter overview of the Census including important information about the Constitutional mandate, research methods, who is affected by the Census and how data is used. Additionally the primer explores key contemporary topics such as race and ethnicity, the family and poverty. The primer can be packaged with any Pearson text at no additional cost and is available via MySocLab, MySocKit and MySearchLab. The primer can also be purchased standalone. *2010 Census Update Primer Instructor's Manual with Test Bank* Includes explanations of what has been updated in class activities, homework activities associated with the MyLabs and MyKits, discussion questions for the primer and test questions related to the primer. MySocLab Gives students the opportunity to explore the methods and data and apply the results in a dynamic interactive online environment. It includes primary source readings relevant to the Census, an online version of the *2010 Census Update Primer*, a series of activities using 2010 Census results, video clips explaining and exploring the Census.

[Death, Dying and Bereavement in a Changing World](#) Alan R. Kemp, 2015-10-16 This title takes a comprehensive approach exploring the physical, social, psychological and spiritual dimensions of death, dying and bereavement. Through personal

stories from real people Death Dying and Bereavement provides readers with a context for understanding their changing encounters with such difficult concepts **Death, Dying, and Bereavement in a Changing World** Alan Kemp,2018-11-02 In this introductory text on thanatology Alan Kemp continues to take on the central question of mortality the centrality of death coupled with the denial of death in the human experience Drawing from the work of Ernest Becker Death Dying and Bereavement in a Changing World provides a multidisciplinary and multidimensional approach to the study of death putting extra emphasis on the how death takes place in a rapidly changing world This new second edition includes the most up to date research data and figures related to death and dying New research on the alternative death movement natural disaster related deaths and cannabis as a form of treatment for life threatening illnesses and updated research on physician assisted suicide as well as on grief as it relates to the DSM 5 have been added

**Theory and Practice of Addiction Counseling** Pamela S. Lassiter,John R. Culbreth,2017-03-07 Theory and Practice of Addiction Counseling by Pamela S Lassiter and John R Culbreth brings together contemporary theories of addiction and helps readers connect those theories to practice using a common multicultural case study Theories covered include motivational interviewing moral theory developmental theory cognitive behavioral theories attachment theory and sociological theory Each chapter focuses on a single theory describing its basic tenets philosophical underpinnings key concepts and strengths and weaknesses Each chapter also shows how practitioners using the theory would respond to a common case study giving readers the opportunity to compare how the different theoretical approaches are applied to client situations A final chapter discusses approaches to relapse prevention

**Assessing Social Science Research Ethics and Integrity** Harry Perlstadt,2024-01-19 This book discusses the development of key issues in research ethics relevant for clinical sociologists concerning client rights to confidentiality privacy and informed consent It describes the US human research protection system used by clinical and applied sociologists through a history of research ethics including the landmark Belmont Report and the creation of the regulatory structure of Institutional Review Boards IRBs in the United States It also discusses ethical research systems in other nations like Canada the UK Australia and New Zealand The book provides a comprehensive account of controversial studies in the US including Milgram s Obedience to Authority Zimbardo s Stanford Prison Experiment and the US Public Health Service and the Tuskegee Syphilis Study and analyzes how ethical concerns in these studies were or were not resolved This book covers a topic of core interest to clinical and applied sociologists and other social science practitioners who do research as well as students and teachers in research ethics courses in anthropology psychology political science sociology and philosophy thereby broadening an awareness of clinical sociology **Reclaiming Class** Vivyan Adair,2009 The double edged impact of policy and education in the lives of poor women **Down to Earth Sociology: 14th Edition** James M. Henslin,1981-02-01 For thirty five years and through thirteen editions Jim Henslin s Down to Earth Sociology has opened new windows onto the social realities that shape our world Now in its fourteenth edition the most popular anthology in sociology includes new

articles on our changing world while also retaining its classic must read essays Focusing on social interaction in everyday life the forty six selections bring students face to face with the twin projects of contemporary sociology understanding the individual's experience of society and analyzing social structure The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life mistaken perceptions of the American family the effects of a criminal record on getting a job and the major social trends affecting our future Together with these essential new articles the selections by Peter Berger Herbert Gans Erving Goffman Donna Eder Zella Luria C Wright Mills Deborah Tannen Barrie Thorne Sidney Katz Philip Zimbardo and many others provide firsthand reporting that gives students a sense of being there Henslin also explains basic methods of social research providing insight into how sociologists explore the social world The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology ranging from the sociology of gender power politics and religion to the contemporary crises of racial tension crime rape poverty and homelessness

**Sociology** James M. Henslin, Dan Glenday, Norene Pupo, Ann Duffy, 2009-01-09 This comprehensive yet brief text provides students with a clear presentation of the four key theoretical perspectives and then applies those perspectives to the real world with a variety of examples and exercises in order to bring sociology home for students The fifth edition of this text maintains the well balanced approach and accessible writing style that popularized the previous editions and now features an enhanced focus on Globalization It is also accompanied by MySocLab a fully updated popular online supplement that now also includes peerScholar an e learning tool designed to help students develop strong thinking and communication skills through course assignments

**Drugs and Society** Glen R. Hanson, Peter J. Venturelli, Annette E. Fleckenstein, 2006 *Drugs and Society* Ninth Edition clearly illustrates the impact of drug use and abuse on the lives of ordinary people and provides students with a realistic perspective of drug related problems in our society Written in an objective and user friendly manner this best selling text continues to captivate students by incorporating personal drug use and abuse experiences and perspectives throughout Statistics and chapter content have been revised to include the latest information on current topics

**Essentials of Sociology** James M. Henslin, 2002 Henslin's best selling brief paperback text shares the excitement of sociology with the acclaimed down to earth approach and personal writing style which highlights the sociology of everyday life This text is a brief version of the highly successful hardcover introductory text *Sociology A Down to Earth Approach* 5 e The essential 15 chapters cover all of the topics in the 22 chapter text and retain the dual emphases on micro and macro individual and structural sociology The author has a unique ability to engage students without talking down to them With wit personal reflection and illuminating examples Henslin is able to share his passion for sociology with his readers like no other author of an introductory text
