

JOHN GIERACH

AUTHOR OF TROUT BUM

THE VIEW FROM RAT LAKE

*For my money, you
can't write any better about
fishing and fishermen."*
—Craig Nova

The View From Rat Lake

John Gierach

The View From Rat Lake:

View From Rat Lake John Gierach, 1989-05-15 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers In the world of fishing there are magic phrases that are guaranteed to summon the demon Among them are remote trout lake fish up to 13 pounds the place the guides fish on their days off writes John Gierach in this wonderful collection of thirteen essays inspired by a fishing trip to Rat Lake a remote body of water in Montana Once again John Gierach does what he does best explain the peculiarities of the fishing life in a way that will amuse novices and seasoned fly fishers alike The View from Rat Lake deftly examines man in nature and nature in man the pleasures of fishing the high country and the high and low comedy that occasionally overcomes even the best planned fishing trip Some typically sage observations from The View from Rat Lake One of the things we truly fish for is an occasion for self congratulation In every catch and release fisherman's past there is an old black frying pan We believe that a 12 inch trout caught on a dry fly is four inches longer than a 12 inch trout caught on a nymph or streamer

The View

from Rat Lake John Gierach, 1988 In the world of fishing there are magic phrases that are guaranteed to summon the demon Among them are remote trout lake fish up to 13 pounds the place the guides fish on their days off writes John Gierach in this wonderful collection of thirteen essays inspired by a fishing trip to Rat Lake a remote body of water in Montana Once again John Gierach does what he does best explain the peculiarities of the fishing life in a way that will amuse novices and seasoned fly fishers alike The View from Rat Lake deftly examines man in nature and nature in man the pleasures of fishing the high country and the high and low comedy that occasionally overcomes even the best planned fishing trip Some typically sage observations from The View from Rat Lake One of the things we truly fish for is an occasion for self congratulation In every catch and release fisherman's past there is an old black frying pan We believe that a 12 inch trout caught on a dry fly is four inches longer than a 12 inch trout caught on a nymph or streamer

Flyfisher's Guide to

Southwest Montana's Mountain Lakes Bergan, Joshua, 2017-04-26 With heart stirring landscapes benefits for physical and mental health and clean cold water Montana's high country is truly the final frontier in the last best place That is why Wilderness Adventures Press is excited to introduce this all new guide to flyfishing southwest Montana's mountain lakes These underfished tarns host everything from wild 5 pound cutthroat to the elusive and challenging golden trout to the increasingly rare arctic grayling Mix in the occasional trophy brookie and all the 12 inch cutts and rainbows you can catch and it becomes apparent that there is no shortage of opportunity Author Joshua Bergan has spent years exploring these pristine highland gems From fish and bugs present to water conditions hiking difficulty and the flies that work this guide provides all the necessary information A broad selection of drive to lakes short hikes and several mile treks with overnights are laid out with GPS coordinates for the trailheads and destinations The author's driving directions get you to Point A and Wilderness Adventures Press highly touted maps take it from there This comprehensive guidebook covers over 250 highland lakes from the Absarokas to the Idaho border including the Gallatin Range Madison Range Gravelly Range Tobacco Roots Pioneer Mountains Beaverhead Mountains and other smaller ranges Fishing mountain lakes isn't for everyone which is why it should be for you Unleash a lifetime of new fishing spots with this outstanding new book

Standing in a River Waving a Stick John Gierach, 2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers With his inimitable combination of wit and wisdom John Gierach once again celebrates the fly fishing life in Standing in a River Waving a Stick and notes its benefits as a sport philosophical pursuit even therapy The solution to any problem work love money whatever is to go fishing and the worse the problem the longer the trip should be After all fly fishing does teach important life lessons says Gierach about solitude patience perspective humor and the sublime coffee break Recounting both memorable fishing spots and memorable fish Gierach discusses what makes a good fly pattern the ethics of writing about undiscovered trout waters the dread of getting skunked and the camaraderie of fellow fishermen who can end almost any conversation with Well it's sort of like fishing isn't it Reflecting on a lifetime of lessons learned at the end of a fly rod Gierach concludes The one inscription you don't want carved on your tombstone is The Poor Son of a Bitch Didn't Fish Enough Fortunately for Gierach fans this is not likely to happen

Gilgamesh to Gierach James W. White, 2024-08-02 Fish have figured profoundly in both human history and imagination for millennia They are both gifts of the sea drawing civilizations to the water and terrors of the deep holding revelations of the unconscious and the unknown Today fly fishing attracts millions looking to escape modern life and reconnect with some primal meditative instinct to partake in nature's offerings Gilgamesh to Gierach is a collection of three hundred fishing water and fish tales spanning four millennia and numerous genres More than a historical overview White has distilled this immense topic into threads that flow through time from legends and literature to nursery rhymes poems and humorous fish tales Anglers will discover fly fishing's ancient roots and spiritual seekers the fish's religious and existential implications Among the included voices are Homer St

John Ovid Brendan the Navigator Dame Juliana Berners Shakespeare Walton Melville Yeats Thoreau Hemingway Rodrick Haig Brown and Norman Maclean Whether told in full or more often condensed these stories will leave the reader with a strong sense of the fish's significance to many of the world's greatest thinkers Brimming with jokes histories simple folk tales and great tragedies this impressive work offers something for everyone **At the Grave of the Unknown Fisherman** John Gierach, 2003 At the Grave of the Unknown Fisherman marks a significant event for John Gierach and his legion of fans

Another Lousy Day in Paradise and Dances with Trout John Gierach, 2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Good fishing and good writing use the same skills writes John Gierach whether you're after a trout or a story you won't get that far with brute force You're better off to watch wait and remain calm letting it all happen rather than trying to make it happen As the wry and perceptive essays in Another Lousy Day in Paradise prove Gierach knows his writing as well as his fishing Paradise Gierach shows us is relative it can be found in the guilty luxury of fishing private waters or when one is soaked to the skin in a small canoe on a big lake in a storm a hundred miles from anywhere exhilarated after a day's fishing There are also pleasures to be found in unexpected places solitary fishing trips fishing for less appreciated fish like carp or meeting a guide who at first seems like an inarticulate ax murderer but who proves to be a Zen master among fishing guides The point is to let things unfold as they will because after all says Gierach Basically the world is a big dumb trout and you're a fisherman with all the time in the world As Gierach fans know this is a description of paradise **No Shortage of Good Days** John Gierach, 2012-04-24 A collection of fly fishing essays reflect the author's visits to regions ranging from the Smokies to the Canadian Maritimes where he explored such interests as fishing etiquette mosquitoes and the charms of third rate streams

All Fishermen Are Liars John Gierach, 2014-04-15 For John Gierach fishing is always the answer even when it's not clear what the question is He's fished for steelhead in the Pacific Northwest bull trout in British Columbia bonefish in Mexico and pike in the Upper Midwest He's even tried winter fly fishing and braved the remote Alaskan wilderness Through it all he has nurtured his enduring love for the sport In All Fisherman Are Liars the ever popular Gierach shares insights musings and countless stories from the profound to the funny to the downright absurd that he's collected over a lifetime of fishing Traveling around North America Gierach seeks out great fishing experiences with one goal in mind to have a good time and maybe catch some fish He talks about fashion in flies and fly tying about the mysteries of why certain flies work and about the etiquette of fishing a popular spot He reflects on how it feels to approach a new stream acting nonchalant while experiencing intense excitement and anticipation He also muses about fishing rods Although I own enough rods to build a picket fence around my property I can sometimes be convinced that I need just one more And though Gierach loses some fish along the way he never loses his passion and sense of humour Wry contemplative and as lively as ever Gierach gives us a book as edifying as it is entertaining All Fishermen Are Liars is a joy to read and as always the next best thing to fishing itself

All the Time in the World John Gierach,2024-03-19 Discover the answer to life's most pressing problems through the joy of fly fishing from master philosopher John Gierach the dean of fly fishing Kirkus Reviews who is arguably the best fishing writer working The Wall Street Journal Once again John Gierach tells the world why the pastime of fly fishing makes so much sense except when it doesn't In this shrewd perceptive and wryly funny The Wall Street Journal book he recalls the joys of landing that trout he's been watching for the last hour and then losing an even fatter one a little later Joy and frustration mix in Gierach's latest appreciation of the fly fishing life as he takes us from his home waters on the Front Range of the Rockies in Colorado to the fishing meccas all over North America From fishing lodges in Alaska to memories of the local creek in the Midwest where he grew up Gierach celebrates the indispensability of the natural world around us

Sex, Death, and

Fly-Fishing John Gierach,2010-05-11 From the irrepressible author of Trout Bum and The View from Rat Lake comes an engaging humorous often profound examination of life's greatest mysteries sex death and fly fishing John Gierach's quest takes us from his quiet home water an ordinary run of the mill trout stream where fly fishing can be a casual affair to Utah's famous Green River and to unknown creeks throughout the Western states and Canada We're introduced to a lively group of fishing buddies some local experts and even an ex girlfriend along the way Contemplative evocative and wry he shares insights on mayflies and men fishing and sport life and love and the meaning or meaninglessness of it all

Where the

Trout Are All as Long as Your Leg John Gierach,2012-03-13 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Fly fishing's finest scribe John Gierach takes us from a nameless stream on a nameless ranch in Montana to a secret pool off a secret creek where he caught a catfish as a five year old to a brook full of rattlesnakes and a private pond where the trout are all as long as your leg As Gierach says The secret places are the soul of fishing Hearing about a new one never fails to entice us And so Where the Trout Are All as Long as Your Leg transports the reader to the best of these places where the fish are always bigger and the hatches last forever After all it's these magical places that Gierach so vividly evokes that remind us how precious and precarious are the unspoiled havens of the natural world

Dumb Luck and the Kindness of Strangers John Gierach,2021-06-08 Witty shrewd and always a joy to read John Gierach America's best fishing writer Houston Chronicle and favorite streamside philosopher has earned the following of legions of readers who may not even fish but are drawn to his musings on community culture the natural world and the seasons of life Kirkus Reviews After five decades twenty books and countless columns John Gierach is still a master Forbes Now in his latest original collection Gierach shows us why fly fishing is the perfect antidote to everything that is wrong with the world Gierach's deceptively laconic prose masks an accomplished storyteller His alert and slightly off kilter observations place him in the general neighborhood of Mark Twain and James Thurber Publishers Weekly In Dumb Luck and the Kindness of Strangers Gierach looks back to the long ago day when he bought his first resident fishing license in Colorado where the fishing season never ends and just knew he was in the right place And he succinctly sums up

part of the appeal of his sport when he writes that it is an acquired taste that reintroduces the chaos of uncertainty back into our well regulated lives Lifelong fisherman though he is Gierach can write with self deprecating humor about his own fishing misadventures confessing that despite all his experience he is still capable of blowing a strike by a fish in the usual amateur way Arguably the best fishing writer working The Wall Street Journal Gierach offers witty trenchant observations not just about fly fishing itself but also about how one's love of fly fishing shapes the world that we choose to make for ourselves

Another Lousy Day in Paradise John Gierach, 1996 For the first time two of John Gierach's most popular fishing books are collected in one volume a double dose of delight for longtime fans or first time visitors to Gierach country As Gierach astutely observes in *Dances with Trout* Fly fishing is solitary contemplative misanthropic scientific in some hands poetic in others and laced with conflicting aesthetic considerations It's not even clear if catching fish is actually the point This observation might also describe Gierach's writing catching fish might be the subject but most of the fun and misadventure comes well before that point Whether it's fishing close to home waters Colorado or farther afield Alaska Scotland Texas ice fishing tournament fishing or night fishing fishing for trout salmon carp splake or grayling fishing with familiar companions like A K Best or the enigmatic Zen master among fishing guides no detail of the fishing life is too insignificant or too absurd for Gierach As he writes in *Another Lousy Day in Paradise* The real truth about fly fishing is it is beautiful beyond description in almost every way and when a certain kind of person is confronted with a certain kind of beauty they are either saved or ruined for life or a little bit of both So start reading and be saved or ruined by Gierach's wonderful insights into the world around us

The View From Rat Lake Introduction

In today's digital age, the availability of The View From Rat Lake books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The View From Rat Lake books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The View From Rat Lake books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The View From Rat Lake versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The View From Rat Lake books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The View From Rat Lake books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The View From Rat Lake books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The View From Rat Lake books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The View From Rat Lake books and manuals for download and embark on your journey of knowledge?

FAQs About The View From Rat Lake Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
