## **The Villas And Riads Of Morocco:**

[The Villas and Riads of Morocco](#) Corinne Verner,2005-07-19 The austere facades that line the labyrinthine streets of Morocco's ancient walled neighborhoods reveal almost nothing of the luminous residences within. The Villas and Riads of Morocco lifts the veil on these secret paradises from fantastic palaces in Fez and Essaouira to middle class riads in Marrakech to converted casbahs in the southern oases. With more than 200 stunning photographs this beautiful volume takes us behind the scenes to explore a side of Morocco that is largely hidden to outsiders. The book showcases exquisite interiors that combine rich materials such as cedar and marble, luxurious carpets and textiles, filigree carving and other handiwork, and vibrant color palettes. Also featured is the remarkable mosaicwork found especially in the central courtyard gardens and patios that form the heart of the Moroccan house. Accompanying these sumptuous views is a vivid history of the country's residential architecture and its fascinating mix of Andalusian, Arab and Saharan influences. The Villas and Riads of Morocco not only offers a feast for the eyes but also illuminates an entire culture.

## **Villas and Courtyard Houses of Morocco**

Corinne Verner, Cécile Tréal, Jean-Michel Ruiz, 2005. From the palaces of Fez to the riads or courtyard dwellings of Marrakesh from the trading posts of Essaouira to the Kasbahs of the south this book seeks out the most singular living spaces in Morocco a country blessed with one of the richest architectural heritages in North Africa. Some of these spaces bear witness to Hispano Moorish splendours others are vibrant with the influence of the Sahara but all of them are temples of the art of living. Corinne Verner explores the archetypes of the Moroccan built environment in over 200 glorious colour photographs interspersed with numerous essays exploring a number of related topics from the decorative arts of Morocco the concept of the garden as metaphors for paradise to contemporary fashions and developments.
