seems tailor made for Woodbury and Lilly's dream of a democratic family friendly future. The two factions meld into one the town prospers and everything seems hopeful for the first time since the plague broke out. But things especially in the world of the walking dead are often not what they seem. Jeremiah and his followers harbor a dark secret the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale the world for Lilly and her close friends is turned upside down and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels. ***The Walking Dead Vol. 24: Life And Death*** Robert Kirkman, 2015-08-26 As the fair opens at Alexandria old friends return from afar and new adversaries make their introductions.
