The Welsh In London 1500-2000:

The Welsh in London, 1500-2000 Emrys Jones, 2001 This work examines how the Welsh became absorbed into London's population yet retained aspects of Welsh culture from language to Eisteddfod through societies. The study begins with the earliest contacts with the Welsh in Tudor London through the Anglicization of the gentry to conformity and renaissance of Welsh literature in the 18th century. The book concludes with a series of essays noting the contributions of the London Welsh to various aspects of Welsh life and aspects of assimilation and acculturation with a view from Wales of the nature of the London Welsh migrant. The main concern of the study is with the lives of migrants as a whole however the final chapter of the book deals more systematically with contributions to Welsh life through the achievements of individuals.

Political Pamphlets and Sermons from Wales 1790-1806 Marion Löffler, 2014-10-15 Pamphleteering was a vital component of the popular political discussion opened up by the French Revolution of 1789 but while the English pamphlet wars have been exhaustively explored Welsh pamphlet literature has been ignored. During the fifteen years following the French Revolution of 1789 over 100 Welsh pamphlets and sermons engaged in a public discourse which discussed the larger issues raised by the Revolution and the war against the French Republic. This pioneering volume seeks to capture the excitement of the period by demonstrating how radicals and loyalists, Dissenters, Methodists and Churchmen, pacifists and warmongers engaged in a lively argument in their published works. An in depth essay reviews and interprets texts written by artisans, Dissenting ministers, country curates and Anglican bishops who all used religion as politics promoted war or peace argued over republicanism and loyalism and utilized the law as a stage for political ideas. All texts are fully translated and thus made accessible to an English speaking audience for the first time.

Exodus from Cardiganshire Kathryn J Cooper, 2011-06-15 Was migration from Victorian Cardiganshire simply a flight from rural poverty? This book relates the rate and timing of the outward movements from the county to the prevailing social and economic conditions. It provides insights into the factors involved in migration and using computer assisted analysis of census enumerators books examines key dimensions of the communities at the major migrant destinations.

A Rattleskull Genius Geraint H. Jenkins, 2005 An industrious academic and charmingly eccentric Romantic poet and forger Iolo Morganwg (1747-1846) left behind a floor to ceiling stack of unpublished manuscripts in his small Welsh cottage. A Rattleskull Genius based on that trove of unpublished material now held at the National Library of Wales provides both a celebration and a critical reassessment of the author and his contributions to Welsh cultural tradition.
