The Wind In The Willows Oxford Worlds Classics:

The Wind in the Willows Kenneth Grahame, 2010-07-08 Believe me my young friend there is nothing absolutely nothing half so much worth doing as simply messing about in boats So says Rat to Mole as he introduces him to the delights of the river and his friends Toad the spirit of rebellion and Badger the spirit of England But it is a world where the motor car is about to wreck the gipsy caravan the revolutionaries in the Wild Wood are threatening the social fabric the god Pan is abroad and the warm seductive whispers of the south are drifting into the English lanes An international children s classic The Wind in the Willows grew from the author s letters to his young son yet it is concerned almost exclusively with adult themes fear of radical changes in political social and economic power Mole s acceptance into the conservative world of the River Bank and Toad s wild attempts to escape from it are narrated in virtuoso language ranging from lively parody to elaborate fin de si cle mysticism A profoundly English fiction with a world following it is a book for adults adopted by children a timeless masterpiece and a vital portrait of an age ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Serialization, Commercialization and the Children's Classics Amy Webster, 2024-12-12 An exploration of the serialization of children s classics by contemporary publishers this book digs into the impact of the practice and provides new ways of reading the corpus of British children s literature from the 20th century Amy Webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children s literature emerged The text also examines how texts are abridged and transformed from publisher to publisher through close readings of *The Wind in the Willows* and *Alice s Adventures in Wonderland* and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements Analysing data through distant reading and close reading of series from Ladybird Longman Puffin and Walker Illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity Through her use of quantitative and text focused research Webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in British children s publishing With notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children s classics that acknowledges how they are tied to the commercial enterprises of the children s book business *Animals in the Writings of C. S. Lewis* Michael J. Gilmour, 2017-09-19 This book examines C S Lewis s writings about animals and the theological bases of his opposition to vivisection and other cruelties It argues Genesis is central to many of these ethical musings and the book s organization reflects this It treats in turn Lewis s creative

approaches to the Garden of Eden humanity's dominion over the earth and the loss of paradise with all the catastrophic consequences for animals it presaged The book closes looking at Lewis's vision of a more inclusive community Though he left no comprehensive summary of his ideas the Narnia adventures and science fiction trilogy scattered poems and his popular theology inspire affection and sympathy for the nonhuman This study challenges scholars to reassess Lewis as not only a literary critic and children's author but also an animal theologian of consequence though there is much here for all fans of Mr Bultitude and Reepicheep to explore **The Wind in the Willows** Kenneth Grahame,2015-10-30T23:56:40Z The Wind in the Willows the story of four animals and their adventures in the idyllic English countryside started out as bedtime stories Grahame would tell his son He eventually started writing them down and finally produced this much loved childrens classic In continuous print since 1908 The Wind in the Willows has been illustrated countless times and adapted to stage radio and screen This book is part of the Standard Ebooks project which produces free public domain ebooks *The Wind in the Willows* Kenneth Grahame,2010-07-08 Believe me my young friend there is nothing absolutely nothing half so much worth doing as simply messing about in boats So says Rat to Mole as he introduces him to the delights of the river and his friends Toad the spirit of rebellion and Badger the spirit of England But it is a world where the motor car is about to wreck the gipsy caravan the revolutionaries in the Wild Wood are threatening the social fabric the god Pan is abroad and the warm seductive whispers of the south are drifting into the English lanes An international children's classic The Wind in the Willows grew from the author's letters to his young son yet it is concerned almost exclusively with adult themes fear of radical changes in political social and economic power Mole's acceptance into the conservative world of the River Bank and Toad's wild attempts to escape from it are narrated in virtuoso language ranging from lively parody to elaborate fin de siècle mysticism A profoundly English fiction with a world following it is a book for adults adopted by children a timeless masterpiece and a vital portrait of an age **ABOUT THE SERIES** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Studying Culture* Judy Giles, Tim Middleton,2008-01-29 Fully revised and updated this second edition is an ideal introduction for those who are new to the study of culture Featuring global case studies selections of readings exercises and commentary throughout it spans the subject from issues of identity through to technological trends Explores key issues and theories on identities representation histories places and spaces discussing the various interpretations of culture and cultural studies Incorporates new work on the study of space place identity gender and cultural history as well as new sections on cultural studies theories and methodology in each chapter Introduces more complex issues including high and popular culture subjectivities consumption and new technologies and a fully updated section on new and enduring trends in technology and culture *Forthcoming*

Books Rose Arny,1999-04 **The Oxford Book of Modern Fairy Tales** Alison Lurie,1994 The stories of magic and transformation that we call fairy tales are among the oldest known forms of literature and are also among the most popular Jack and the Beanstalk Sleeping Beauty Little Red Ridinghood these ageless tales seem to have been written an almost magically long time ago Yet fairy tales are still being created to this very day And while they are principally directed to children and have child protagonists these modern fairy tales like the classics have messages to those of all ages In The Oxford Book of Modern Fairy Tales Alison Lurie has collected forty tales that date from the late nineteenth century up to the present Here are trolls and princesses magic and mayhem morals to be told and lessons to be learned all the elements of the classic fairy tale in new and fantastical trappings In Charles Dickens s The Magic Fishbone we find an unusually pragmatic princess who uses her one wish only after she has tried to solve her family s problems through hard work Angela Carter s The Courtship of Mr Lyon is a Beauty and the Beast tale with a contemporary twist in which Beauty leaves Beast to live the high life becoming a society brat who smiled at herself in mirrors too much And in T H White s The Troll we find out how his father killed the troll that tried to eat him In these enchanting pages we also see how modern writers have taken the classic fairy tale and adapted it to their times in a variety of ways Francis Browne for example takes a poke at Victorian standards of beauty in The Story of Fairyfoot about a young prince who is cast out of the kingdom of Stumpinghame because unlike the fashion of the town his feet are too small Some writers such as Ursula Le Guin have taken familiar myths and turned them upside down In Le Guin s The Wife s Story a mother sees the horrible transformation of her husband into the hateful one and then watches her sister and neighbors mob and kill this creature whose hair had begun to come away all over his body the eyes gone blue staring at me out of that flat soft white face And L F Baum s The Queen of Quok contains a castle and royal characters in a kingdom run by common sense and small town American values At one point the boy king of Quok has to borrow a dime from his counselor to buy a ham sandwich and greed transforms his young queen to be into a haggard old woman With tales from the likes of Nathaniel Hawthorne Oscar Wilde Carl Sandburg James Thurber Donald Barthelme Louise Erdrich and many more The Oxford Book of Modern Fairy Tales brings us through the modern day world of the supernatural the mystical the moral and reminds us that fairy tales are still very much alive [The Oxford Book of Children's Stories](#) Jan Mark,1994 Here are some of the very best short stories written for children over the last 250 years Compiled by the well known children s writer and Carnegie Medalist Jan Mark this is the first anthology to trace how children s short stories evolved ranging from the publication of Sarah Fielding s The Governess in 1749 to Nadia Wheatley s Convict Box in 1992 Anyone who enjoys children s fiction whether young or old will find something to savor in The Oxford Book of Children s Stories Fairy tales ghost stories adventures and escapades in and out of school every genre is included here peopled by good children and bad strict parents and kindly aunts kings and queens giants and enchanters Mark includes work by 44 different authors including well known figures such as Louisa May Alcott Christina Rossetti Rudyard Kipling Max

Beerbohm and Carl Sandburg leading modern writers such as Philippa Pearce Richard Kennedy Nadia Wheatley and Jan Mark herself plus many long forgotten tales that are still highly entertaining today Chronologically arranged the anthology also serves as an introduction to the historical development of the children s short story providing insights into the way perceptions of childhood and contemporary attitudes have influenced writers of different periods But as Jan Mark s discriminating selection demonstrates the ingredients of a good children s story as well as the fictional tastes of children themselves have remained remarkably constant despite changes in style and outlook This is a collection to divert and surprise an ideal survey of the children s short story for parents professionals and especially for the children themselves

Transatlantic Landscapes José Manuel Marrero Henríquez,2016 **Stories of Reading** Michael Steig,1989 **The**

Wind in the Willows Kenneth Grahame,1983-04-01 Since its first publication in 1908 generations of adults and children have cherished Kenneth Grahame s classic The Wind in the Willows In this entrancing lyrical world of gurgling rivers and whispering reeds live four of the wisest wittiest noblest and most lovable creatures in all literature Rat Mole Badger and Toad of Toad Hall Like true adventurers they glory in life s simplest pleasures and natural wonders But it is Toad cocky and irrepressible in his goggles and overcoat whose passion for motorcars represents the free and fearless spirit in all of us just as it s Toad s downfall that inspires the others to test Grahame s most precious theme the miracle of loyalty and friendship

Guide to Reprints ,2009 *The Bookman* ,1924 **The Wind In The Willows** Grahame,Kenneth,2007-07-26 The tales of Ratty Mole Badger and Toad When Mole goes boating with the Water Rat instead of spring cleaning he discovers a new world As well as the river and the Wild Wood there is Toad s craze for fast travel which leads him and his friends on a whirl of trains barges gipsy caravans and motor cars and even into battle **Children's Books in Print** ,1993 **Tongues in Trees** Kim Taplin,1989 Kim Taplin believes that reverence for nature is vital to healthy spirituality and imagination In this series of connected essays generously prefaced by poems and prose extracts she considers how Keats Clare Barnes Ruskin Hopkins Jefferies Hardy Edward Thomas E M Forster Ivor Gurney David Jones Andrew Young J R R Tolkien and Frances Horowitz have celebrated the greenwood and responded to its erosion **Crash Cultures** Jane Arthurs,2002 Since Princess Diana s car crash in 1997 media interest in the crash as an event needing explanation has proliferated The purpose of this collection is to subject texts or films within which crashes figure to well defined cultural study *The British National Bibliography* Arthur James Wells,2009 **Far from the Madding Crowd** Thomas Hardy,1998 When Bathsheba Everdene inherits her own farm she attracts three very different suitors the seemingly commonplace Gabriel Oak the young soldier Francis Troy and the respectable middle aged Farmer Boldwood Her choice and the tragedy it provokes lie at the centre of Hardy s story

When people should go to the book stores, search foundation by shop, shelf by shelf, it is essentially problematic. This is why we offer the ebook compilations in this website. It will utterly ease you to see guide **The Wind In The Willows Oxford Worlds Classics** as you such as.
