War and Peace Lev Tolstoy, 2017-09-27 We can know only that we know nothing And that is the highest degree of human wisdom Nothing is so necessary for a young man as the company of intelligent women If everyone fought for their own convictions there would be no war The strongest of all warriors are these two Time and Patience There is no greatness where there is not

simplicity goodness and truth The whole world is divided for me into two parts one is she and there is all happiness hope light the other is where she is not and there is dejection and darkness It s not given to people to judge what s right or wrong People have eternally been mistaken and will be mistaken and in nothing more than in what they consider right and wrong Like Pierre was right when he said that one must believe in the possibility of happiness in order to be happy and I now believe in it Let the dead bury the dead but while I m alive I must live and be happy You can love a person dear to you with a human love but an enemy can only be loved with divine love If we admit that human life can be ruled by reason then all possibility of life is destroyed We are asleep until we fall in Love I simply want to live to cause no evil to anyone but myself Everything I know I know because of love Man cannot possess anything as long as he fears death But to him who does not fear it everything belongs If there was no suffering man would not know his limits would not know himself Leo Tolstoy War and Peace War and Peace Leo Tolstoy,2012-04-11 Nominated as one of America s best loved novels by PBS s The Great American Read Often called the greatest novel ever written War and Peace is at once an epic of the Napoleonic Wars a philosophical study and a celebration of the Russian spirit Tolstoy s genius is seen clearly in the multitude of characters in this massive chronicle all of them fully realized and equally memorable Out of this complex narrative emerges a profound examination of the individual s place in the historical process one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad To read him is to find one s way home to everything within us that is fundamental and sane
