Burroughs, Victor Bockris, 1996-11-15 William Burroughs the eccentric brilliant artist who burned a bridge with logic and wrote the classic Naked Lunch continues to fascinate readers Now the artist s long time friend writer Victor Bockris records for all objective time the choice private and public hallucinatory and prescient utterances of Burroughs and his famous circle 60 photos      **Translating Warhol** Reva Wolf, 2024-07-11 The first study of the translations of Andy Warhol s writing and ideas Translating Warhol reveals how translation has alternately censored exposed or otherwise affected the presentation of his political and social positions and attitudes and in turn the value we place on his art and person Andy Warhol is one of the most influential artists of the 20th century and a vast global literature about Warhol and his work exists Yet almost nothing has been written about the role of translations of his words in his international reputation Translating Warhol fills this gap developing the topic in multiple directions and in the context of the reception of Warhol s work in various countries The numerous translations of Warhol s writings words and ideas offer a fertile case study of how American art was and is viewed from the outside Both historical and theoretical aspects of translation are taken up and individual chapters discuss French German Italian and Swedish translations Warhol s translations of his mother s native Rusyn language and culture the Indian artist Bhupen Khakhar s performative translations of Warhol and Warhol as translated for documentary television Translating Warhol offers a fascinating multi faceted perspective on Warhol contributing to our understanding of his place in history as well as to translation theory and inter cultural exchange      The Life and Death of Andy Warhol Victor Bockris, 1998      The Burroughs-Warhol Connection Victor Bockris, 2024-12 The Burroughs Warhol Connection revolves around four meetings between William S Burroughs and Andy Warhol in 1980 Its author Victor Bockris was a friend and collaborator of both men and attempted to bring them together for a series of interviews The results were comical absurd and brilliant The two never quite seemed capable of connecting yet somehow a bond was formed and they came to like and respect one another Bockris has collected the interviews he recorded which are punctuated by visits from

Mick Jagger Lou Reed David Bowie Debbie Harry and other luminaries mixed them with excerpts from his journals and gathered one hundred photographs and collages There are also reflective essays from Bockris and Jed Birmingham The book is a collage a cut up a constellation It is a vital and beautiful document of the connection and missed connections between two of the most important minds of the last century It also features a long brilliant interview with Bockris conducted by Leon Horton a frequent contributor to Beatdom and editor of the recently published Ten Times a Poet **Beat Punks** Victor Bockris,2000-11-30 Here accompanied by dozens of unique photographs are the very best of Victor Bockris s infamous interviews essays and observations on the stars of downtown Manhattan in the 1970s and 1980s The internationally acclaimed biographer Bockris was there as a witness friend collaborator and co conspirator Some of the stars were founding members of Beat or Punk others were just passing through But all of them rockers rebels artists and intellectuals revealed more to Bockris than they did to any other writer Allen Ginsberg Richard Hell Andy Warhol Robert Mapplethorpe Debbie Harry William Burroughs Patti Smith Marianne Faithfull Keith Richards Terry Southern Martin Amis and Susan Sontag Bockris s conclusion that Punk owed the Beats a big debt and that the Beats were in turn re animated by the Punks is argued from the perspective of someone who was in the thick of it and who loved every minute of it **Beat Punks** Victor

Bockris,2016-01-26 The poet laureate of the New York underground scene chronicles three decades of electrifying artistic expression Once dominated by Beat Generation writers like Jack Kerouac and Allen Ginsberg by the 1970s and 80s New York City s creative scene had given way to a punk rock era defined by figures like Debbie Harry and Richard Hell While the aesthetics of these two movements seem different on the surface author and prolific interviewer Victor Bockris who witnessed it all argues that the punks borrowed from the ideology and style of the beats and that the beats were reenergized by the emergence of punk In intimate conversation Bockris s close friends including celebrities from both periods such as William Burroughs Andy Warhol Joey Ramone and Patti Smith reveal more about themselves and their art to him than to any other interviewer Along with dozens of rare photos Bockris s interviews and essays capture the energy of this unique time

Conversations Victor Bockris,2014 Durant l ann e 1980 Victor Bockris a organis et enregistr quatre rencontres entre William Burroughs et Andy Warhol Des rencontres informelles qui eurent lieu la Factory et dans des restaurants new yorkais Le pape du pop art et la figure de la Beat Generation avaient forc ment des choses se dire Il pr tend que c est Andy Warhol qui lui a appris mener une interview Son conseil Ne pr pare jamais tes questions Fais comme s il s agissait d un cocktail

Camion Blanc Jeremy REED,2016-12-21 Le livre de Jeremy Reed se pr sente comme une tude fouill e de la vie et de l oeuvre de Lou Reed toutes deux pleines de contradictions et de changements de direction radicaux Rock star ic ne pop et po te des rues de la Factory d Andy Warhol sa collaboration ultime avec Metallica on re d couvre l itin raire d un po te sans concessions bien ancr dans sa ville de New York aux ambitions litt raires immenses qui a laiss une marque inestimable sur la musique en g n ral et pas seulement sur le punk dont il a t proclam un peu h tivement le parrain **Muhammad Ali In**

**Fighter's Heaven** Victor Bockris,2011-08-31 The man who has no imagination Stands on earth He has no wings He cannot fly Muhammad Ali Just off Highway 61 in northern Pennsylvania up the dirt drive of a wooded hill lay a place called Fighter's Heaven This was once the training camp of the greatest of all times From early 73 through the summer of 74 Victor Bockris visited Muhammad Ali while Ali was preparing for his epic battle in Zaire to regain the World Heavyweight crown from the fearsome George Foreman Bockris who was later to write about people like William Burroughs Andy Warhol and Lou Reed was less interested in his subject's boxing career and ambitions than in his extraordinary gifts as a poet preacher and performer As Muhammad Ali said himself of this book These are some of the things I don't reveal to the public too much

Ford,2001 In the future everyone will be famous for fifteen minutes said Andy Warhol who skyrocketed to fame as the artist who painted the Campbell's soup can Warhol's paintings of everyday objects and his portraits of famous people helped define Pop Art From sickly child to controversial artist outlandish movie maker to celebrity publisher Warhol's personality and eccentric style made him an icon of an era In a fascinating story rich with quirky anecdotes and quotes Carin T Ford takes a candid look at the Pop Art movement and the many sides of the American legend known as the Prince of Pop     *Warhol* Blake Gopnik,2020-04-28 The definitive biography of a fascinating and paradoxical figure one of the most influential artists of his or any age To this day mention the name Andy Warhol to almost anyone and you'll hear about his famous images of soup cans and Marilyn Monroe But though Pop Art became synonymous with Warhol's name and dominated the public's image of him his life and work are infinitely more complex and multi-faceted than that In Warhol esteemed art critic Blake Gopnik takes on Andy Warhol in all his depth and dimensions The meanings of his art depend on the way he lived and who he was as Gopnik writes That's why the details of his biography matter more than for almost any cultural figure from his working class Pittsburgh upbringing as the child of immigrants to his early career in commercial art to his total immersion in the performance of being an artist accompanied by global fame and stardom and his attempted assassination The extent and range of Warhol's success and his deliberate attempts to thwart his biographers means that it hasn't been easy to put together an accurate or complete image of him But in this biography unprecedented in its scope and detail as well as in its access to Warhol's archives Gopnik brings to life a figure who continues to fascinate because of his contradictions he was known as sweet and caring to his loved ones but also a coldhearted manipulator a deep

thinking avant gardist but also a true lover of schlock and kitsch a faithful churchgoer but also an eager sinner skeptic and cynic Wide ranging and immersive Warhol gives us the most robust and intricate picture to date of a man and an artist who consistently defied easy categorization and whose life and work continue to profoundly affect our culture and society today
