## **Watch And Pray With Me:**

*Watch and Pray with Me* Karl Rahner,1966      **WATCH AND PRAY!** GODSWORD GODSWILL ONU,2015-04 If you do not want to enter into temptation then watch and pray Even though your human spirit is willing and wants to please God yet the flesh is weak Watch and pray lest you will not escape what is coming upon this world Do you notice that it is necessary and needful to both watch and pray If you do one of them and leave the other one undone you are still likely to enter into temptation Therefore to pray effectively you need to watch and monitor your circumstances and environment It is like in war surveillance and information about your enemy and his plans are a major step to winning the war The reason why many Believers do not pray effectively is because they fail to know their enemies strategies or that they do not know and understand the nature of the spiritual warfare And many Christians are careless in their lives and Christian walk      *Watch and Pray* Don S. Otis,2002 Learn how to pray more effectively for your nation family and community with these essays from well known prayer leaders      Watch and Pray Prof. Kofi A. Amoateng,2016-05-14 What is in Watch and Pray Volume 1 It critically lays out end time baits and weapons employed by the enemy and his cohort to send millions to hell The baits and weapons include the ever growing Jezebel spirits secret sins spiritual blindness and intimidation strongholds prayerlessness apostasy and worldly desires 1 John 2 16 Today the deception is so deep that it becomes difficult to discern the right from almost right discernment Satan and his demons have transformed themselves into wolves among the sheep in the church and everywhere and preying on them Greater part of it examines spiritual weapons and strategies at believers disposal They include spiritual weapons and strategies to quench all the fiery darts of the wicked such as prayers quiet times with the Father discernment godliness holiness righteousness the blood of Jesus obedience watchfulness boldness courage and the sustainable presence of the Lord The kingdom of darkness is getting bolder as we approach end times so Christians must get bolder by drawing near to God in order to resist the enemy The flight to heaven does not come cheap but requires due diligence in prayers and watchfulness Eph 5 1516 Readers and believers must put on the whole armor of God by crucifying the flesh and be able to come to a place where they can look to God and say And so what to the enemy and his team Enjoy in your suffering because it glorifies God in the end It is my hope that everyone who reads this book will be saved and come to know him well Readers who are interested in supporting Fuller Life Ministry Evangelism global spread of quality salvation can do so through sponsorship or donation by contacting through e mail kamoat aol com or Praylife54 yahoo com or through telephone 919 270 8025      **Welcome Tidings** Robert Lowry,William Howard Doane,Ira David Sankey,1877      **A harmony of the four Gospels, following the Harmony of the Gospels in Greek by E.
