War in Heaven Charles Williams, 1947 A contest on earth between the powers of good and evil

**War in Heaven** Charles Williams, 2015-02-17 A satanic conspiracy threatens mankind when the Holy Grail is found in an English country church in this classic metaphysical thriller An unidentified body lies lifeless in the offices of a British publishing house Soon after it is discovered an urgent request from an author arrives by post pleading for the deletion of an important paragraph from an upcoming publication These unlikely incidents mark the beginning of a secret war waged in the English countryside but threatening to engulf all of humankind On the side of the godly an archdeacon an eccentric duke a book editor and a young boy must confront the dark magic of relentless satanic forces for behind the facade of a common pharmacy sinister plans are being laid for the negation of everything The most horrible of conspiracies its success hangs on the acquisition of an object of enormous supernatural power recently discovered in a small parish church the Holy Grail Preceding The Da Vinci Code and the Left Behind novels by half a century War in Heaven is the first novel written by Charles Williams an esteemed member of the famed Oxford literary society known as the Inklings which included such notables as C S Lewis Owen Barfield and J R R Tolkien This is a provocative page turning tale of faith morality and magic an amalgam of thriller fantasy metaphysics and theology that engages and entertains This ebook includes a new introduction by Jonathan Ryan

**The War In Heaven** Austin Hepworth, 2018 The Book of Revelation in the Bible mentions a War in Heaven a war that took place prior to this earth s existence This War was waged by Lucifer against God and has already included many spiritual casualties in its wake including many who chose to follow Lucifer instead of God Little is known about the actual details of this War yet it offers potential to teach so much about the things of God we often struggle to understand One soldier in the War is born into a world of hardship a world where darkness penetrates the depths of his soul It is only through gaining an understanding of the War his own pre mortal history and principles such as faith and sacrifice that he can finally gain the strength he needs to overcome the darkness inside and rejoin the battle for God s most prized possession

The War in Heaven Kenneth Zeigler, 2009-07-28 Satan and his minions have declared war on the most beautiful planet in the universe his purpose is to

depose Michael the archangel and become second only to God in command of all creation Standing in Satan s way are a scattered and disorganized host of angels a group of inexperienced saints a small band of humans and some angelic rebels in Hell Armed with faith full power Abaddon the Destroyer creates a formidable army to challenge the evil targeting Earth Author of best selling Heaven and Hell Kenneth Zeigler again draws from his research to create a realistic tale where science the supernatural and life and death teeter on the edge of eternal joy or damnation **War in Heaven: Large Print** Charles Williams,2019-10-07 The Holy Grail mysteriously surfaces in an obscure country parish becoming a sacramental object to protect or a vessel of power to exploit Williams gives a contemporary setting to the traditional Grail quest examining the distinction between magic and religion War in Heaven is an eerily disturbing book one that graphically portrays a metaphysical journey through the shadowy crevices of the human mind War In Heaven Charles Walter Stansby Williams,2020-03-31 The telephone bell was ringing wildly but without result since there was no one in the room but the corpse A few moments later there was Lionel Rackstraw strolling back from lunch heard in the corridor the sound of the bell in his room and entering at a run took up the receiver He remarked as he did so the boots and trousered legs sticking out from the large knee hole table at which he worked but the telephone had established the first claim on his attention Yes he said yes No not before the 17th No who cares what he wants No who wants to know Oh Mr Persimmons Oh tell him the 17th Yes Yes I ll send a set down He put the receiver down and looked back at the boots It occurred to him that someone was probably doing something to the telephone people did he knew at various times drift in on him for such purposes But they usually looked round or said something and this fellow must have heard him talking He bent down towards the boots Shall you be long he said into the space between the legs and the central top drawer and then as there was no answer he walked away dropped hat and gloves and book on to their shelf strolled back to his desk picked up some papers and read them put them back and peering again into the dark hole said more impatiently Shall you be long No voice replied not even when touching the extended foot with his own he repeated the question Rather reluctantly he went round to the other side of the table which was still darker and trying to make out the head of the intruder said almost loudly Hallo hallo What s the idea Then as nothing happened he stood up and went on to himself Damn it all is he dead and thought at once that he might be The Second War for Heaven E. Clifton Sosebee,2015-06-05 This is the sequel to the first volume THE WAR FOR HEAVEN In my many hours of research for the 1st volume I kept coming across another war for heaven called THE SECOND WAR FOR HEAVEN So I looked it up and the 2nd war for heaven is happening now during present day due to the ongoing conflict between good and evil I therefore wrote this complete fictional story where God during our time has finally had it with Satan s ongoing deceit and diseased influence over the Holy father s children here on earth and commands Michael to wipe him out of existence completely this time to order the Archangel Gabriel to use his celestial horn to signal everything in God s universe that the Apocalypse has now come which means the final battle between good and evil grows near The long awaited

Battle of Armageddon However God informs Michael that prior to the final battle the pure and good mortal souls that still dwell upon the earth must be removed to His kingdom of eternal paradise God then instructs Michael that God already knew which of the human souls were pure and God would remove their souls from the earth to heaven He also informed his commanding general that God already knew which mortal souls were too far corrupted by Satan and they will remain on the earth and meet their fates after the final battle and will perish in some type of firestorm as foretold by all the ancient texts However God's last command to Michael was that there were some human mortal souls that even God Himself was uncertain of due to their past choices of freewill He therefore gives Michael His final command to send a certain amount of regular angels disguised as human beings down to earth and have the angel put their assigned human souls through a life and death test If the human soul risks his own life to save the angel have the angel remove their soul and bring them to their eternal reward in God's land of eternal paradise If the human soul does not risk his own life and flees away to save themselves and leaves the testing angel behind to just leave them on the earth to meet their fates of death That is what this novel mostly consists of short stories where these disguised angels put their designed human soul to the test but you don't know who the angel is or the human being tested until the end of the chapter While this term of human trials is going on Michael along with his Archangel brothers Gabriel Raphael Uriel and Azriel plan the final attack against Satan's massed forces in the final battle that takes place upon Israel's Mount Megiddo which is how the name Armageddon came to be Also another unique aspect about these humans being tested are real life names of my family and close friends that allowed me the honor of using their real life names as a fictional character name in these chapters where the angels put these certain set of human souls through a life and death test The people I know that have read this novel said they had fun trying to determine who was the human being tested and who was the angel testing them hopefully as much fun as I did writing it

**The Great Contest: War In Heaven** Zen Garcia,2017-01-25 The first book of the Great Contest trilogy This text expounds upon the war in heaven and what led to the schism between the Angels of light and darkness Most biblical scholars do not realize that it was YHWH Elohim declaring Let There Be Light that revealed Christ as the light to the Angels and world That it was in that moment that the creation became visible and seeing the wide expanse of manifest world for the first time since being created that all the morning stars shouted for joy It was also in that moment that dominion was granted to the Son and Lucifer being envious of Christ s appointment conceived in mind the thought of exalting his throne above the stars and clouds of God It was in this moment that iniquity led him to conspire overthrow which was the origin for the war in heaven
