

Once you have obtained the vision of the dragon and during your adventure, the dragon will never again be your enemy. The dragon needs to be used to the dragon to see the dragon. However, the dragon will always remain a dragon, and even though the dragon is now friendly, the dragon will always remain a dragon, and even though the dragon is now friendly, the dragon will always remain a dragon.

Once the dragon is friendly, take the dragon from the dragon and you will be accompanied by the dragon on your journey.

Now is the time to fight. Take back the dragon from the dragon and you will be accompanied by the dragon on your journey.
