training What she doesn't expect is for her trainer to be the male she kissed years ago and hasn't been able to forget since Ryven Xanna is not only one of the best warrior trainers in the Kelderan Army but he's also best friend to a prince When his best friend invites him to participate in a secret operation that will rid the planet of traitors Ryven doesn't hesitate to join True the female he's supposed to train is the same one he kissed in the past and wishes to kiss again but he has the fortitude to resist her and complete his assignment Only then can he ensure his mother's future in the colony and the safety of his friend As Ryven and Kalahn work together the pull between them only grows until suddenly they're connected in a way that they never could've foreseen However that connection could end up killing one of them if they continue with their plans Will they both find a way to survive their mission and be with each other Or will duty trump all including the life of one of them

Drenched Ashley West, 2017-05-24 In contrast to most of the other elemental warriors the water loving people of Lin Vayel are also lovers of peace They aren't reclusive but they don't value combat the way others do and they live their lives exploring their planet and others seeking out knowledge and treasure Focused on learning more about the ways of those who came before them Still their warriors are well trained and when a cargo ship crash lands on their planet they're ready to fight if need be Fortunately those piloting the ship are dead and the cargo is undamaged Unfortunately the cargo turns out to be contraband stolen merchandise and one human woman by the name of Alanna There's much discussion over what should be done with this woman and eventually it's decided that one of their strongest and bravest will escort her home It should be a simple mission fly to Earth leave her there come home but the growing bond between them makes it hard for either of them to want to say goodbye That's the least of their problems when it turns out that Alanna's crash landing on Luther's planet was no accident and was in fact masterminded by someone with a dastardly plan for Luther and his powers **The Writers Directory**, 1996
