## Watch The Intern Online:

*Intern Insider* Tammy Trujillo, 2016-04-28 Internships have all but become a requirement when starting out in the fields of entertainment and broadcasting. Students need these internships not only to get their foot in the door but to gain valuable experience that gives them an advantage when going for that first job in the industry. *Intern Insider* helps students navigate the often daunting task of finding an internship and equips readers to use the experience learned to begin a strong career in the entertainment world. As both a professional broadcaster and college professor, author Tammy Trujillo approaches the topic of internships from both sides: what the student and intern site hope to gain. She provides various valuable perspectives throughout the book, including student assessments on their internship experiences, case studies of those who have turned their internships into careers, and interviews with internship site coordinators. Her breadth of knowledge and experience make for a ground-level book, both informative and useful. In the competitive landscape of today's entertainment and broadcasting worlds, *Intern Insider* provides students with all the tools they need to make the most of their internships and jumpstart their careers. **If he only had one life. Why did he come back.** Jamie Rumbolt, If he only had one life, why did he come back? Do you know the answer to this? Would you like to know? John Sandy and Harly will try to make and host a web series before it was called something else. In their time, it was called an online show. They spend every year for the last four years making a series. Will they make it home this year? Or will they find what they've been looking for years? Or will it find them? In this chilling story of If he only had one life, Why did he come back? They look for Demons, werewolves, vampires, and everything else that most people don't know what they are talking about most of the time. Is a cult hidden behind the strange things that happen around them? Or will a serial killer end what the cult couldn't do? Does the stories from the past hold a key to what has to be done? Or is it all just a

fairytale that no one wants to listen too This fairytale has tales that can kill in it and it has done it once before Do you believe in happy fairytales if you do Does the horror fairytales know of you or does they watch you as you sleep You might find your self in horror tales all on your own Are you a John Sandy or a Harly read along and make your choices of who you are
