

Valuation Guide for Goodwill Donors

The U.S. Internal Revenue Service (IRS) requires donors to value their items. To help guide you, Goodwill Industries International has compiled a list providing price ranges for items commonly sold in Goodwill® stores. Assume the following items are in good condition, and remember: prices are only estimated values.

National Matters Geneviève

Zubrzycki,2017-05-09 National Matters investigates the role of material culture and materiality in defining and solidifying national identity in everyday practice Examining a range of things from art objects clay fragments and broken stones to clothing food and urban green space the contributors to this volume explore the importance of matter in making the nation appear real close and important to its citizens Symbols and material objects do not just reflect the national visions deployed by elites and consumed by the masses but are themselves important factors in the production of national ideals Through a

series of theoretically grounded and empirically rich case studies this volume analyzes three key aspects of materiality and nationalism the relationship between objects and national institutions the way commonplace objects can shape a national ethos and the everyday practices that allow individuals to enact and embody the nation In giving attention to the agency of things and the capacities they afford or foreclose these cases also challenge the methodological orthodoxies of cultural sociology Taken together these essays highlight how the material turn in the social sciences pushes conventional understanding of state and nation making processes in new directions
