**PREFACE** This book was written with an object in view Namely to set right the many folks who have voiced a desire to become ventriloquists but after reading books on the subject have been at a loss just how to go about studying this fascinating art The lessons arranged in this work are framed so that anyone possessing good vocal chords and who are willing to devote the necessary time and patience to studying the art can become ventriloquial entertainers The authors know that everything found in this work is practical and trust those interested will profit by the contents of the book **DAVID J LUSTIG** La Vellma **ROBERT W DOIDGE** 1920

**FOREWORD** The art of producing tones and words without any perceptible motion of the mouth so that the audience is induced to refer the sound to some other place is called Ventriloquism Many people believe the sounds are produced from the stomach This belief is merely mistaken supposition We all know that the organs of speech are located in the throat and not in the stomach The name of this exceedingly interesting and mysterious art is founded upon the before mentioned supposition The ventriloquial entertainer can give a show most anywhere and under any sort of conditions with his vent figure in a theatre hall or drawing room and almost anyone who possesses good vocal powers and studies these lessons written by two vaudeville performers who at times presented a ventriloquial specialty in vaudeville will within a reasonable time with the proper amount of practice and study be able to give a performance to entertain mystify and also to earn money by putting on a ventriloquial act To become a violinist one must practice and practice to become a ventriloquist one must also practice and by studying and following these instructions carefully lesson by lesson the student will surprise himself with results attained Rome they tell us was not built in a day neither are good ventriloquists made over night      **Ventriloquism and Kindred Arts. An Historical and Practical Treatise ...** Fred Russell,1898      **Practical Ventriloquism** Robert Ganthony,1904      **Practical Ventriloquism- Being a Thoroughly Reliable Guide to the Art of Voice Throwing and Vocal Mimicry by an Entirely Novel System of Graded Exerci** Robert Ganthony,2008-11-01

To old timers Ventriloquism was a mystifying art heard at long intervals on the vaudeville stage Because Mr Ganthony was one of the old masters who directed his work to those who wish to teach themselves and we know that so many people might want to do just that this how to guide has been reprinted from the original plates Mr Ganthony believed that ventriloquists were not born but made by the desire to learn and the

willingness to practice Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Hesperides Press are republishing these classic works in affordable high quality modern editions using the original text and artwork
