Father Sergius Leo Tolstoy,2017-10-12 Excerpt from Father Sergius And Other Stories At eighteen Kasatsky left with the rank of lieu tenant and entered an aristocratic Guard regiment The Emperor Nicholas had known him while he was in the cadet corps and had shown him favour while in the regiment It was on this account that people prophesied that he would become an aide de camp Kasatsky desired it greatly al though less from ambition than from passionate love for the emperor whom he had cherished since his cadet days Each time the emperor Visited the school and he Visited it very often as Kasatsky saw the tall figure the broad chest the aquiline nose above the moustache and the close cropped side whiskers the military uniform and the brisk firm step and heard him greeting the cadets in his strident voice he experienced the momentary ecstasy of one who sees his well beloved But his passionate adoration of the emperor was even more intense He desired to give up some thing everything even himself to show his in finite devotion The Emperor Nicholas knew that he

inspired such admiration and deliberately provoked it He played with the cadets made them surround him and treated them sometimes with childish simplicity sometimes as a friend and then again with an air of solemn grandeur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
