Valiant Thor Outwitting Tomorrow:

Outwitting Tomorrow: Secrets for Living from the Great Pyramid Valiant Thor, Frank Stranges, 2000-12-15 Join Valiant Thor he examines the symbols of the Great Pyramid at Giza through story metaphor and direct teaching revealing how they might help us in today's world. This book is perfect for today's Westerner who understands the basic principles of Christianity yet wants to expand their knowledge into more galaxial realms. Outwitting Tomorrow is inspired writing a timely practical prescription for survival and growth through the cataclysmic events aligning for this planet as prophesied of old. The author's mastery becomes apparent due to the complete absence of authoritarian rules. Instead he focuses on how to expand one's perspective in an intuitive positive life affirming self loving way.

The UFO Hotspot Compendium Craig Campobasso, 2022 This book details the latest facts behind legendary UFO cases and provides a guided tour of 35 of the most remarkable most visited UFO hotspots areas where aliens and cryptids have been spotted forbidden locations and terrifying places only the brave dare to visit. The book also elucidates when and where events happened the story behind the occurrence and the succeeding investigations and things to do when visiting the site.

Zero Point (Faster than Light Speed) J. Lawrence Parry, 2023-02-13 Zero Point Faster Than Light Speed is intended for men and women in all walks of life who are striving to understand the UFO phenomenon and recent developments which are about to appear on our near future horizon. We are going to need to know where and how to react to these changes. If you look a little at TV for example you can see that ETs are making their way slowly into our lives. Our children's cartoons are a good example. This book will expand your mind and possibly your lives when you fully understand how really far we've come in the last 50 years. Next time you see a Tic Tac zooming on a news report and you hear the old cliché We don't have anything that that travels that fast. Or How do they turn like that at such high speeds. You'll realize someone is definitely not telling the truth. In the very near future you will be able to see in everyday life the type of Hover board used by Michael J Fox in the film Back to the Future 2. Our cars and trains will even be hovering and super cool electrical like we've only dreamed. No more roads no more gas no more heavy trucks or busses tearing up the pavement. We need to start planning on how to take advantage of all the new technology our near future will provide. Think about Zero Point as a simple glimpse of the future whereby you may master your future instead of allowing the future to dictate to you. Thank you J. Lawrence Parry.

The Gods Have Landed James R. Lewis, 1995-01-01 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience.
