**Holy Unhappiness** Amanda Held Opelt, 2023-07-18 Discover what it means to be blessed and challenge the false beliefs many in the church hold about the good life and what it means to walk in communion with God American Christians have developed a long list of expectations about what the life with God will feel like Many Christians rightly deny the prosperity gospel the idea that God wants you to be healthy and wealthy but instead embrace its more subtle spin off the emotional prosperity gospel or the belief that happiness and spiritual euphoria will inevitably follow if you believe all the right things and make all the right choices In this view frustration is deemed unholy fear is seen as a failure of faith and sadness is a sign of God's disfavor In Holy Unhappiness Amanda Held Opelt author of A Hole in the World grapples with her own experience of disillusionment when life with God didn't always feel the way she expected it to feel She examines some of the historic religious and cultural influences that led to the idolization of positive feelings and the marginalization of negative feelings Unpacking nine elements of life that have been tainted by the message of the emotional Prosperity Gospel including work marriage parenting calling community and church she points to a new path forward one that reimagines what the blessed life can be like if we release some of our expectations and seek God in places we never thought to look This is a book that asks what good is God when he doesn't always make sorrow go away or soothe every fear It is a book that explores our aversion to sadness and counts the costs of our unrelenting commitment to optimism This is a book that insists there is holiness to be found even in our unhappiness

Last Words of Jesus Stu Epperson Jr., 2015-02-17 Readers will experience a fresh encounter with Jesus Christ thorough

examination of what Jesus said why He said it and how His powerful words continue to change lives forever Julian's Gospel Veronica Mary Rolf, 2013 This fascinating study of the life and work of Julian of Norwich the 14th century English mystic whose Revelations is among the most popular and influential works of Christian mysticism is the first book to combine an historical reconstruction of Julian's life in 14th century Norwich with a comprehensive commentary on her Revelations in a new and faithful translation from the Middle English Unlike other brief summaries of Julian's life and times this book goes in depth to uncover the political cultural social and religious milieu that formed and deeply influenced her development as a woman and a mystic Additionally unlike other textual companions to Julian's work that provide only short explanations of Middle English words or merely footnote theological terms this work gives the reader a detailed analysis of her writings illuminating her ground breaking mystical theology with extensive scholarship Throughout the book creates a strong dramatic arc for Julian's Revelations that interweaves her personal sufferings and burning questions with her visionary experiences producing a compelling spiritual biography
