## **Valor Faithful And The Fallen:**

Valor John Gwynne, 2014-07-22 War has erupted in the Banished Lands as the race for power intensifies Corban flees his homeland searching for peace but he soon discovers that there is no haven in the west as the agents of Rhin and roaming bands of giants hound his every step Veradis leaves the battleground and rushes to his King's side But he has witnessed both combat and betrayal and his duty weighs heavily upon him Maquin seeks only revenge but pirate slavers and the brutal world of pit fighting stand in his way Nathair becomes embroiled in the wars of the west as Queen Rhin marches against King Owain The need to find the cauldron of the giants drives him on Sides are chosen and oaths will be fulfilled or broken in a land where hell has broken loose

**Valour: The Faithful and the Fallen 2** John Gwynne, 2014-04-01 The Banished Lands is torn by war as High King Nathair sweeps the land challenging all who oppose him in his holy crusade Allied with the manipulative Queen Rhin of Cambren there are few who can stand against them But Rhin is playing her own games and has her eyes on a far greater prize Left for dead her kin fled and her country overrun with enemies Cywen has no choice but to try to survive But any chance of escape is futile once Nathair and his disquieting advisor Calidus realise who she is They have no intention of letting such a prize from their grasp For she may be their greatest chance at killing the biggest threat to their power Meanwhile the young warrior Corban flees from his conquered homeland with his exiled companions heading for the only place that may offer them sanctuary Domhain But to get there they must travel through Cambren avoiding warbands giants and the vicious wolverines of the mountains And all the while Corban must battle to become the man that everyone believes him to be the Bright Star and saviour of the Banished Lands And in the Otherworld dark forces scheme to bring a host of the Fallen into the world of flesh to end the war with the Faithful once and for all

*Border Forays and Adventures* Lyman Copeland Draper, 2006 *Border Forays and Adventures* contains some of the most gripping tales leading up to the independence of the American colonies from the tyrannical rule of the British Empire Many of the stories including Indian tortures and the burning of William Crawford at the stake are horrible to read but it is America's heritage There are terrible mistakes made The cover of the book carries a picture of Miss Jane McCrea who was on her way to marry Lieutenant David Jones of the British army when she was shot off a horse and scalped by Indians paid by Lt General John Burgoyne the general who led the British army There is a story of Christian Indians being clubbed to death by American

troops caused by a slip of the tongue And yet there are victories Four chapters devoted to an American victory over Indians on October 10 1774 at the Battle of Point Pleasant often referred to as Lord Dunmore s War although Dunmore and his troops were not involved in the battle One chapter in *Border Forays* is dedicated to George Rogers Clark s conquest of the Illinois From that chapter the following language may be found Soldiers We are near the enemy who have so long annoyed us and whom we have been four years endeavoring to reach and punish We are not fighting alone for liberty and independence but for the defense of our own frontiers from the tomahawk and scalping knife of the Indians We are virtually defending the lives of our women and children although a long distance from them These British garrisons furnish the Indians with powder and lead to desolate the frontiers and they pay gold for human scalps We must take and destroy these garrisons The fort before us is one of them and it must be taken We cannot retreat We have no provisions and must conquer or starve This is the Fourth of July We must act to honor it Let it not be said in after times that Virginians were defeated on that memorable day The fort and town I repeat must be taken at all hazards Those words spoken over two hundred and twenty five years ago tell the story of this book the price that our ancestors man woman and child paid for our American independence Your Heritage My Heritage That speech to his troops given on our National Holiday however only touches the surface of the horror suffered in gaining that independence From the files of a man who corresponded with relatives of participants and who wrote of those early days in American history this book is written Much is not pleasant to read but only reinforces what George Rogers Clark said and meant His troops conquered and they honored that memorable day the Fourth of July Golden Age ,1930
