Vampire Bound R a Steffan, 2020-09-18 Evil Fae are trying to take over the world Okay right that's actually old news Unfortunately it's even worse than that now

Because now they intend to use my son and other human children with magical parents to do their dirty work for them The Fae realm is dying its magic growing ever more unbalanced And I guess by comparison Earth looks like a nice juicy alternative They even have a foothold here ever since the human world became spoils in the last war between the Fae and the demons a war the demons lost All I wanted was to get my son back But now the stakes are bigger than just the two of us If my friends and I can't stop the Fae humanity will become nothing more than a race of helpless slaves bound to a powerful race by fear and magic I'm not alone in this fight But every friend every ally every fragile new emotional connection is another weapon the Fae can use against me If the price of finding Jace is losing everything else I care about will I be able to live with myself afterward
