Mossy Glenn Ranch: Vaqueros and Vigilance Bailey Bradford, 2015-12-01 What starts out as a one night stand ends up changing two men forever Joaquin Almodovar has been disowned by his family and shot by a mad man To say that he's had a few bad months would be an understatement When he finds out he can't be the vaquero he's always been due to the extent of his injuries Joaquin is even more lost than ever He might be the best looking man at the Mossy Glenn according to Hector and the others but that doesn't make Joaquin a man at all Not when he can't cowboy up like he used to Learning that there's more to him than the job he's always loved isn't easy and Joaquin's not a hundred percent certain he's up to the task In fact he's lost so much faith in himself that he doesn't know what or who to believe in anymore Time heals all wounds the saying goes but it sure doesn't seem to be doing much to heal Joaquin It'll take the help of a man he shouldn't trust to learn that there's more to himself than how well he sits a saddle and how good he is with a rope **Un De Trop** Bailey
