A Wish Fulfilled. Thinking back now I knew this story was already written. Still time only rolls forward in this world we must obey the rules despite the antithesis of fact. It is okay to bend the law but going beyond that might break the moment forever. There is an old myth that Ruby used to talk about when I was a teenager. Ruby stated That touching a teardrop of our soulmate finds its way into our hearts and forever links us. I am afraid she has surely done that I felt hers when they were tears of joy. The sight and sound of her sobbing on video almost stopped my heart. If she is not as photogenic as she claims to be I want her camera. It is magic. Simply touching a kiss maybe to experience her soul in this incarnation will surely bind us once more. She is stunning beautiful and frightened. Hopefully it is for nothing. All of this will pass. All of this will change. All of this will happen as it already has. My books exist in a library hidden from reality. However I need to bring them here as proof. Magic is real our love is real soulmates are real. All of this is a daily reminder of what I need to do to reach her. Thanks to the video she forwarded I am working overtime. The description I had written is not even close to how beautiful she is in this incarnation. As Cugh used to say Suck it up sweet pea we do not have forever. But that is not entirely true. Forever like magic is a matter of perspective. She and I are forever. We always have been. I know this with all my heart. Cugh knew it too. We have a few more books that need to be drug into reality. We have already written them. I seriously need to find my library card. The pink of a morning somewhere flows through the tunnel of bismuth and colors my day. I look into the world of this woman I love so very much and recall every life we have ever spent. She chose to help those around her this time by contracting Lyme. She suffered physically so she could connect to those around us and guide their spirits forward. She purposely took this pain so that she and I could move from coming back. She used this lifetime to grow to make a quantum leap spiritually. She used this life to become an angel. What is unique about her is that everyone around her got a chance to see it. She took us all along for the ride. She suffered abuse and heartache she loved and lost and she pushed us all through trials and tests and allowed us to fail so that we could grow. The cost that this love of mine endured to move humanity up a rung is Godlike in its kindness. I have never witnessed anyone as capable as her of doing what she has done. Mother Theresa, Ghandi, Mohammed, Jesus, Georgina. Those who scoff never met any of them. Those who don't believe never spent time in their presence. Those who did know. They got the rare gift of seeing her for who she was. I got to love her. I got to capture her words. But that too is another story.
