She doesn't remember her past. But some memories come with a cost. Eira Eckhart has spent years building a quiet life in a small town at the edge of a recently overthrown kingdom. Until Hugo Venton walks through her door. Brash, clever, and infuriatingly handsome, Hugo is searching for something and seems to know more about Eira than she knows about herself. But when a terrifying encounter with an unnatural, deadly new breed of soldier puts a price on her head, she has no choice but to join Hugo on his quest. Their hunt for a missing princess pulls Eira across the continent and deeper into a past she can't recall. As buried memories, mysteries in the Iron Empire's capital, forgotten feelings, and the truth behind her identity begin to surface, Eira realizes the forbidden magic simmering in her veins might be the very thing that could save them from the Iron Empire's forces as they draw ever closer. If she can remember how to control it in time...
