My Mourning Routine

Living with cancer doesn't give me time to mourn. Mourning usually means taking time to grieve, and I don't have the time to do that. I have to get up every day and go to work, and I have to go to bed every night and go to sleep.

I usually wear gratitude jewelry to remind me to focus on the positive and not on the negative. For the last few years, I carried with me my gratitude journal and my prayer journal to help me stay positive and focused.

The morning after I was diagnosed, I was in a lot of pain and I was in a good mood. I was in a lot of pain, but I was in a good mood. I was in a lot of pain, but I was in a good mood. I was in a lot of pain, but I was in a good mood.

These are important steps to a life of gratitude and positivity. I hope you can take these steps to a life of positivity and gratitude.
