The Nathanble Shmuel Yacobi,2025-12-16 Dear Readers the word Nathanble is coined after the name of the famous Hebrew Prophet Nathan and his powerful method of Parable He was the inventor of this most brilliant and effective method to bring out the real hearty judgments from the listeners by presenting a fiction story of Fallen Angels based on the true facts Prophet Nathan presented the story of a rich man and his poor neighbor to King David and brought out his hearty judgment As the author of the Nathanble I expect similar open minded freewill responses from the real human readers I see the problems in any religion and its interpretation as the problem of whole human society Therefore I am not seeing the religions as separate institutions from humanity and human society *Accessions List, South Asia* Library of Congress.
