

SHORT STORY PLANNING

FIRST (*Exposition/Introduction:* Introduce the characters. Describe the setting of the story. Most importantly, introduce the main conflict (main problem) of the story.

NEXT (*Rising Action:* Build suspense and reveal more information about the problem. What prevents the main character in the story from getting what he/she wants? What does the main character do to continue to try to get what he/she wants?)

SUDDENLY (*Climax:* Create a dramatic turning point for the story. How does the main character come face to face with the major problem of the story? How does this experience change the main character?)

LAST (*Falling Action/Resolution:* Tie up the loose ends and bring the story to a close. What is the ultimate solution to the main problem? What is the final result of this solution?)
