Tempt The Stars Cassie Palmer:

Tempt the Stars Karen Chance, 2013-10-01 Being a goddess is a lot less fun than you might think Especially when you're only a half goddess and you only found out about it recently and you still don't know what you're doing half the time And when you've just used your not so reliable powers to burglarize the booby trapped office of a vampire mob boss Yeah that part sucks But that's just the tip of the iceberg for Cassandra Palmer aka the Pythia the freshly minted chief seer of the supernatural world After all Cassie still has to save a friend from a fate worse than death deal with an increasingly possessive master vampire and prevent a party of her own acolytes from unleashing a storm of fury upon the world Totally just your average day at the office right

Reap the Wind Karen Chance, 2015-11-03 From the New York Times bestselling author of *Tempt the Stars* comes the latest in the series that's well worth getting hooked on Fresh Fiction You'd think that being chief seer for the supernatural world would come with a few perks But as Cassie Palmer has learned being Pythia doesn't mean you don't have to do things the hard way That's why she finds herself on a rescue mission skipping through time even though she doesn't entirely understand her dimension bending new power Rescuing her friend John Pritkin should have been an in and out kind of deal but with the near immortal mage's soul lost in time Cassie has to hunt for it through the ages with Pritkin's demon dad in tow He's the only one who can reverse Pritkin's curse but with the guardians of the timeline dead set on stopping anyone from mucking about Cassie will have to figure out how to get her friend back without ruffling too many feathers or causing a world ending paradox or two

Ride the Storm Karen Chance, 2017-08-01 Cassie Palmer can see the future talk to ghosts and travel through time but nothing's prepared her for this Ever since being stuck with the job of pythia the chief seer of the supernatural world Cassie Palmer has been playing catch up Catch up to the lifetime's worth of training she missed being raised by a psychotic vampire instead of at the fabled pythian court Catch up to the powerful and sometimes seductive forces trying to mold her to their will It's been a trial by fire that has left her more than a little burned But now she realizes that all that was the just the warm up for the real race Ancient forces that once terrorized the world are trying to return and Cassie is the only one who can stop them

Masks Karen Chance, 2014-03-18 The thrilling prequel to the New York Times bestselling Cassie Palmer series featuring seductive and dangerous Master Vampire Mircea Basarab Fifteenth century Venice is a safe haven for the masterless dregs of the vampire world a city where they can live without the fear of retribution for violating another's territory Still there are plenty of ways for a young vampire to die in the glittering city a lesson that prince turned pauper Mircea Basarab must learn quickly But there are opportunities too in the service of a secretive courtesan in the bed of a beautiful senator and in the hunt for an ancient assassin As a vendetta older than Venice itself comes to a climax Mircea struggles to evade the dangers of his current life to come to terms with his past and to uncover the truth hidden behind a city of masks Includes a bonus excerpt of the first Cassie Palmer novel *Touch the Dark*
