**Temptation** Diogenes Allen,2004-11 Thank you Church Publishing for reviving the Seabury Imprint and reissuing wonderful spiritual classics such as this insightful look at the need to assimilate our temptations into our maturing spiritual journeys The Living Church In Allen s account of the Christian life temptation offers us a doorway into the mystery of God Far from trying to avoid the temptations of our daily lives we need to recognize them as an essential part of our journey into the kingdom of God Here our model is the three temptations Jesus faced in the wilderness the temptations of material goods security and prestige To face the reality of these temptations even though we cannot overcome them is to enter upon the spiritual life    **Re-enchanting the Text** Cheryl Bridges Johns,2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment s turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanted readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence filled wonderland to counteract biblical illiteracy in an increasingly post Christian landscape    **The Living Church** ,1962    **The Publishers**
