## Ten Poems To Open Your Heart:

**Ten Poems to Open Your Heart** Roger Housden, 2007-12-18 *Ten Poems to Open Your Heart* is a book devoted to love to the intimacy of personal love and lovemaking to a loving compassion for others and to the love that embraces both this world and the next. This new volume from Roger Housden features a few of the same poets as his extraordinarily moving *Ten Poems to Change Your Life* such as Mary Oliver and Pablo Neruda along with contributions from Sharon Olds, Wislawa Szymborska, Czeslaw Milosz, Denise Levertov and others. Any one of the ten poems and indeed any one of Housden's reflections on them can open, gladden or pierce your heart. Through the voices of these ten inspiring poets and through illustrations from his own life, Housden expresses the tenderness, beauty, joys and sorrows of love, the presence of which more than anything else gives human existence its meaning. As Housden says in his eloquent introduction, "Great poetry happens when the mind is looking the other way and words fall from the sky to shape a moment that would normally be untranslatable. When the heart opens, we forget ourselves and the world pours in this world and also the invisible world of meaning that sustains everything that was and ever shall be." From the Hardcover edition.

**Ten Poems to Set You Free** Roger Housden, 2003-12-30 *Ten Poems to Set You Free* inspires you to claim the life that is truly yours. In today's world, it is deceptively easy to lose sight of our direction and the things that matter and give us joy. How quickly the days can slip by the years all gone and we at the end of our lives mourning the life we dreamed of but never lived. These ten poems and Roger Housden's reflections on them urge us to stand once and for all and now in the heart of our own life. This volume brings together the voices of Thomas Merton, David Whyte, the Basque poet Miguel de Unamuno, Anna Swir from Poland, Stanley Kunitz, the Greek poet C.P. Cavafy and Jane Hirshfield, as well as three of Housden's favorites, Rumi, Mary Oliver and Naomi Shihab Nye. His luminous essays on the poems show us how to integrate the poets' truth into our own lives. Roger Housden's love of poetry and life leaps from every page so much so that his readers feel they have found a guide and mentor through the extraordinary *Ten Poems* series. He has opened the eyes and hearts of many not just to the power of poetry but to the truth and beauty of the life of the soul. What more can one ask?

**Ten Poems to Last a Lifetime** Roger Housden, 2007-12-18 The fourth volume in the popular series that began with *Ten Poems to Change Your Life*. *Ten Poems to Last a Lifetime* focuses on what it means to be truly human. In it, Roger Housden offers us poems on life and death, happiness, seeing ourselves in relation to the world and, of course, the ineffable, the things that really matter when the chips are down. He describes these passionate poems as bread for the soul and fire for the spirit. The poets Housden has chosen are Billy Collins, Hayden Carruth, Dorianne Laux, James Wright, Naomi Shihab Nye and Mary Oliver from the United States; D.H. Lawrence and John Keats from England; Rainer Maria Rilke from Germany; Fleur Adcock from New Zealand; and Seng Ts'an from sixth century China. And yes, that adds up to eleven, not ten. Housden decided to include a bonus poem for his faithful readers in this the final volume of the series. As before, Housden's luminous essays provide an elegant and easy passage into the sometimes daunting world of poetry, enabling readers to feel

that in him they have found a trusted guide and mentor     *Poem Central* Shirley McPhillips,2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper s April 2013 In Poem Central Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the ordinary to nurture inspire and stand alongside us for the journey Poem Central is divided into three main parts weaving poetry into our lives and our classrooms reading poems and writing poems McPhillipshas structured the book in short sections that are easy to read and dip into Each section has a specific focus provides background knowledge shows poets at work highlights information on crafting defines poetic terms features finished work includes classroom examples and lists additional resources In Poem Central a place where people and poems meet teachers and students will discover how to find their way into a poem have conversations around poems and learn fresh and exciting ways to make poems Readers will enjoy the dozens of poems throughout the book that serve to instruct to inspire and to send us on unique word journeys of the mind and heart

**Dropping the Struggle** Roger Housden,2016-08-05 Is it possible to fully accept even love the life you have Is it possible to drop the struggle to make yourself and your life different Acclaimed teacher and bestselling author Roger Housden says yes in this profound alternative to nonstop striving and self criticism Whether about our relationships careers or spirituality many of us judge ourselves as not measuring up But fulfillment comes when we stop struggling and learn to trust the wisdom of what life presents us with Housden wrote Dropping the Struggle as someone who up until a few years ago spent much of his time in a covert struggle with life Despite his success he often felt that something was missing He struggled for years with an ongoing spiritual longing with questions of meaning and purpose with the search for love with all the usual difficulties of being human until he finally realized though not with his thinking mind that the only thing life was asking of him was to rest in a deeper knowing that was always there usually silently behind the arguments and strategies that would so commonly occupy his conscious self Struggle will never get us the things we want most Housden writes love meaning presence freedom from anxiety over the past and future contentment with ourselves exactly as we are imperfections and all the acceptance of our mortality because these things lie outside the ego s domain For these we need another way That way begins and ends in surrender in letting go of our resistance to life as it presents itself
