number of native speakers that sit for the exam but it doesn't have to be. With the right study tool it can be easy to get a 4 or 5. The sample questions are considered tougher than the questions in the actual test. Furthermore, this book aims to improve your Spanish language reading comprehension, speaking, writing, and grammar. It comes with an avenue for you to practice your skills so that you will be able to fully master the fundamentals of the Spanish language. Español actual, 1966
