Tok Trending Near Me:

Irish Digital Cultures Deirdre Flynn, Mary McGill, 2025-12-10 Irish Digital Cultures explores how questions of Ireland and Irishness are represented in online environments and what these phenomena say about contemporary Irish identities both within the country and globally. Bringing together interdisciplinary scholars and media studies professionals from across Ireland this collection investigates how Irish life, culture, and identity are impacted and evolving with the increasing reliance on digital platforms and tools. Emerging and established scholars at the cutting edge of Irish cultural research offer chapters that speak to the diversity of the digital in the Irish cultural sphere. The Culture and Identity section explores issues of representation digital reimaginings of Irishness, the discursive interplay of old Ireland versus new Ireland online, and Irishness as a self-brand and marketable commodity in the digital commons. From Irish gamers on YouTube to popular Irish podcast production this section examines interconnections of culture and identity exploring how these are reimagined and articulated in digital spaces. Building on these themes the Contexts and Spaces section introduces scholarship on Irish cultural memory and the digital archive, protest and visibility in Irish digital spaces, artistic practice and performance, and the policing of Irishness online. This volume will interest Irish Studies researchers and scholars particularly those working at the intersection of Media Studies, Cultural Studies, Sociology, Race, Gender, Identity, and New Media as well as students studying Irish culture across the humanities and social sciences.

Stuck With You Aimee Brown, 2023-08-09 Swoony, touching, and so entertaining Aimee Brown hit this one out of the park. Jacquelyn Middleton Jade Monroe has finally found the man of her dreams. Or has she? Despite them being newly engaged, her fianc Conner has suddenly gone radio silent. And even though her family are all giving her the same advice, he's just not that into you. She's not convinced. River Matthews has always been his authentic self without apologies. Honest to a fault, light-hearted, and a little lonely. Currently, he's the last single standing in his group of friends, and he's starting to feel his clock ticking. He's got close to happily ever after before, but now it's once bitten, twice shy, and the only way he's going to find love is if he takes a chance. The wisdom goes that if you just stop looking, your perfect partner will appear, but who will be there when Jade and River stop searching for the one? Sexy, sassy, and downright irresistible, the brand new friends-to-lovers romance perfect for fans of Sariah Wilson, Lindsey Kelk, and Abby Jiminez. Readers love Aimee Brown. A total page turner, I devoured it. Sandy Barker Oh how I loved this book! Aimee Brown has a supreme talent for writing beautifully flawed, authentically funny characters. This opposites attract story stole my heart, and since closing the book, I haven't stopped thinking about the characters. A true gem and my favorite read of the year. 5 Star Reader Review Stories like this are why I love reading romance. This would translate well to film. Do you hear me, Netflix gods? 5 Star Reader Review This book has everything. It's sexy, heartfelt, and packed with sarcasm, a modern twist on the classic boy-next-door romantic comedy that will have you giggling from page to page. 5 Star Reader Review You will laugh, cry, and cheer them both on while reading her newest romance. She is a true talent, and I love her books. 5 Star Reader Review *My Real-Life*
