have it seems entered the age of one click America and as the coronavirus makes Americans more dependent on online shopping its sway will only intensify Alec MacGillis's *Fulfillment* is not another inside account or exposé of our most conspicuously dominant company. Rather it is a literary investigation of the America that falls within that company's growing shadow. As MacGillis shows, Amazon's sprawling network of delivery hubs, data centers, and corporate campuses epitomizes a land where winner and loser cities and regions are drifting steadily apart; the civic fabric is unraveling and work has become increasingly rudimentary and isolated. Ranging across the country, MacGillis tells the stories of those who've thrived and struggled to thrive in this rapidly changing environment. In Seattle, high-paid workers in new office towers displace a historic black neighborhood. In suburban Virginia, homeowners try to protect their neighborhood from the environmental impact of a new data center. Meanwhile, in El Paso, small office supply firms seek to weather Amazon's takeover of government procurement, and in Baltimore, a warehouse supplants a fabled steel plant. *Fulfillment* also shows how Amazon has become a force in Washington, D.C., ushering readers through a revolving door for lobbyists and government contractors and into CEO Jeff Bezos's lavish Kalorama mansion. With empathy and breadth, MacGillis demonstrates the hidden human costs of the other inequality, not the growing gap between rich and poor, but the gap between the country's winning and losing regions. The result is an intimate account of contemporary capitalism, its drive to innovate, its dark pitiless magic, its remaking of America with every click.

**Seeking Sarah** ReShonda Tate Billingsley, 2017-08-15 From the national bestselling and award-winning ReShonda Tate Billingsley comes this gripping and emotional exploration of the complex bond between mother and daughter. From the time Brooke Green was seven years old, she has lived with the pain of losing her mother. Her father has done the best job he could in raising her, but a piece of her always felt empty. On the day of her father's funeral, her grandmother breaks the shocking news: her mother Sarah is very much alive. Brooke's mother abandoned her family because she claimed she wasn't fit for motherhood. So it comes as a shock when Brooke discovers her mother is living in Atlanta, enjoying a great career and a brand new family. Stunned, Brooke doesn't know if she wants answers or revenge against the mother who abandoned her. When she meets Sarah's husband Tony, Brooke sees the perfect way to make her mother pay.
