[Get on the Job and Organize](#) Jaz Brisack,2025-04-29 For fans of Fight Like Hell and A History of America in Ten Strikes the leader of the Starbucks and Tesla union movements shares stories from the front lines to help us organize our own workplaces Get on the Job and Organize is a compelling inspirational narrative of the Starbucks and Tesla unionization efforts telling the broader story of the new nationwide labor movement unfolding in our era of political and social unrest As one of the exciting new faces of the American Labor Movement Jaz Brisack argues that while workers often organize when

their place of work is toxic it's equally important to organize when you love your job. With an accessible voice and profound insight, Brisack puts everything into the context of America's long tradition of labor organizing and shows us how we too can organize our workplaces from how to educate yourself and your colleagues to what backlash can be expected and how to fight it to what victory looks like even if the union doesn't necessarily win. **Design Professionals** Shari Davies, 2006
