Revolution for Dummies Bassem Youssef,2017-03-21 As Albernameg chronicled the events of the 2011 Egyptian Revolution the fall of President Hosni Mubarak and the rise of Mohamed Morsi Youssef

captured his nation's dissent and stamped it with his own brand of political criticism. Accused of insulting the Egyptian presidency and Islam, Youssef fled his homeland fearful for his safety even after the charges were dismissed. In *Revolution for Dummies*, Youssef riffs on the hypocrisy and instability of Egyptian politics, everything from how the government tried to cover up the violent clashes in Tahrir Square to the military's announcement that they had created the world's first AIDS machine that could cure anyone of the disease. Youssef's most recent project is *Democracy Handbook*, a ten-part series exploring topics of democracy on Fusion.net. He is also a visiting scholar at the Center of Democracy Development and the Rule of Law at Stanford University.

For over twenty years, Ittay Flescher has worked as an educator, journalist, and peacebuilder in Melbourne and Jerusalem. When he woke up on the morning of October 7, 2023,

to the sounds of rocket sirens over Jerusalem and later saw the devastation of Gaza in response the grief and sadness that engulfed him and so many others compelled him to ask how can we find a way forward Following years spent facilitating dialogue between Jews Muslims and Christians Ittay believes that peace can only be found if we are willing to empathise with the pain of others The Holy and the Broken challenges Palestinian and Israeli leaders citizens and their supporters across the world to imagine a different reality to look at history with a different eye and to search for moments of engagement rather than resentment in the narratives of the past that each side tells about itself Ultimately it is a story that aims to comfort the troubled and trouble the comfortable Praise Courageous and considered Ittay nurtures the tender fragile shoots of peace The world could do with more people like him Paul Kelly Australian singer songwriter and guitarist A book of rare insight and compassion The Holy and the Broken offers the one thing we thought we d lost after October 7 a glimmer of hope for meaningful lasting peace between Israelis and Palestinians Bram Presser author of The Book of Dirt This is a thoughtful and thought provoking book heartfelt and honest You do not need to agree with everything Flesher has to say to find the book moving and challenging Michael Gawenda former editor in chief The Age This ability to empathise with the suffering on both sides is a core value of Flescher s reconciliation work and the underpinning to many of the options he outlines Dr Anne Sarzin Jwire As challenging and as contemporary as it is compassionate In a world broken by war and polarisation Ittay offers peaceful possibilities and nuanced perspectives Rabbi Ralph Genende OAM author of Living in an Upside down World The Holy and the Broken breaks new ground Yet what makes it truly singular is its consistent humanity and its centring of ordinary Israelis and Palestinians John Lyndon executive director Alliance for Middle East Peace This account of the writer s devotion to peacebuilding in our war torn region is a shining testament to what can and should be done by those who can imagine a future peace It lights a candle in an age of darkness Sari Nusseibeh author of Once Upon a Country A Palestinian Life When you finish it you will not only know more about what s happening between the Jordan River and the Mediterranean Sea but you will also know more about yourself Maoz Inon Israeli peacemaker and social entrepreneur A powerful testament to the possibilities of reconciliation and mutual empathy during conflict what sets this book apart is its commitment to showcasing the experiences of the diverse individuals involved especially the integral yet frequently overlooked stories of women By highlighting the gender dynamics at play Flescher enriches our understanding of the conflict and underscores the importance of supporting a world where more voices are heard and valued Sheila Katz CEO National Council of Jewish Women When I picked this book up I erroneously believed I already understood much about the ongoing collective trauma of Palestinians and Israelis But this thoughtful and deeply compassionate book shattered that illusion By the time I put the book down I was not the same person Miriam Anzovin creator of Daf Reactions and Jewish Lore Reactions
