Barton, 2022-04-13 Quincy watched the woman move through the crowd He couldn't put his finger on it but something just felt off She was too close to the man in front of her not to be with him When the man purposefully stepped out in front of an oncoming truck it was all Quincy could do to stop her from the same fate She was deaf Her scent was familiar but she wasn't his mate Grace was upset with Quincy but didn't know why She was thankful that he saved her sister but she felt pissy and needed to take it out on someone and he made a good target But when he didn't retaliate she regretted her actions It didn't take but a second for Quincy to figure out that Grace was his mate But would she be as happy about it as he was Only time would tell *If the Sea Could Speak* Chethan Kumar S, 2025-10-09 When love refuses to die even time must listen If the Sea Could Speak is a romantic emotional and timeless love story about two souls bound by fate memory and the courage to love beyond time itself What begins as a spark in an office soon unravels into something neither can explain a connection that feels older than memory itself Bound by a mysterious book and dreams of two lovers Liam and Mia discover that some stories don't start in this lifetime they simply continue As passion collides with destiny and duty threatens to tear them apart they must face a truth whispered through time and tide This is my poetic reincarnation of romance that travels across centuries memories and the hearts that never stopped finding each other Mason Kathi S. Barton, 2015-08-21 Emma McBride loves working in the law firm and hopes someday to hang out a sign that has her on name on it But for now she has some proving to do By the time she is caught up for the day it's nearly ten o'clock If this doesn't help her make partner she has no idea what will Emma is going to her car when she hears someone coming down the lane she was in Instead of getting in being trapped in her car she pulls out her gun Landon McBride owns the ranch next door to the Double Deuce It is the largest ranch in the state His health is failing and he figures it's time to sell Lord knows his son Dirk isn't fit to run the ranch and

Landon can't think of any person better to buy it than Mason Douglas. Mason is a good man and could manage the large spread better than he could. Mason is interested, sure, but knows he can't afford a spread that large and tells Landon that Landon jokes and tells him to marry his daughter and he can have it for free. Mason isn't amused. Although he's never met Emma, he knows Dirk, and if the siblings are anything alike, it's not good, but Hell, no. Emma is more embarrassed than she is hurting, but the entanglement with those men did a number on her body; she hurts everywhere. Recuperating at her parents' ranch seems like the logical thing to do, but with her brother showing his ass and getting kicked out, she's wondering if she's not better off in her apartment in the city. But when the man next door shows up and shifts into an angry cougar, all bets are off. The scent, the fear, and the smell of Emma is making Mason's cat wild. He knows that he is scaring her, hell, he is scared himself. He growls low. She's my mate. And hurt. *Illicit (A Collection of Dreams)* S. EVEREST, 2025-03-13. I had to leave. I had no choice. But in my disappearing act, I was found by the one person I was running from. My escape is her safety. My defiance is her downfall. **The Sheikh's Unforgettable Lover** Leslie North, 2016-01-07. American tutor Kim Atkins is teaching English to a young Middle Eastern prince, but she's having a hard time keeping her eyes off his older brother. With Karim's stacked muscles and handsome face, it's hard not to be distracted. It's too bad he's rude, arrogant, and very traditional, but that only makes it easier to focus on her student and the girls at the local orphanage. Besides, with glamorous beauties eager for Karim's attention, clumsy Kim could never compete. Karim Sharqi is knee-deep in paperwork after taking over the family jewel company, but asking for help from his brother's pretty tutor goes against everything his father taught him. Karim's known from a young age that you should never rely on a woman, especially a Western woman. Her modern attitude flies in the face of his traditional values, and yet her beauty and shy smile are proving to be an irresistible temptation. Can two people from such different worlds ever find a common future? **Timeless** Lisa S. Silverthorne, 2024-01-14. Borrowed time. Lost time. Out of time. A turn of the clock hands. A twist of fate. Will it be enough? To save eight happily ever afters. From the mists of time. A missed first date and time out of sync. Can these star-crossed lovers find their way back to each other? A secret magical ritual and a leap across time brings these two lovers together. Will time run out, or will the tumbler align? Separated by age and death, will two lovers of a lifetime reunite under the same magic that brought them together? Ghosts. A magical Victorian portrait. And a love that transcends a century. Can it transcend a curse and borrowed time? When the mystery of a bestselling writer's decade-old disappearance haunts his first novel, Stori Easton races against time to save him. When a carpenter renovating a seaside Victorian mansion hears an angelic voice, he falls through time into the life of a former opera star silenced by tragedy. Can his love restore her voice and heal her heart? After inheriting a famed archaeologist's tools, Ever finds herself in the Valley of Kings, falling in love and trying to solve his murder. Only a rare conjunction of a full moon and the winter solstice will allow Skye Delaney one last chance to travel back in time and save the famous painter she's loved for a lifetime. **Timeless** eight time travel romance stories by award-winning author Lisa S. Silverthorne [A Touch that Awakens](#)

the Soul Melissa S Williams, 2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn't expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn't ask for perfection it simply asks for presence and sometimes it's the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn't always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay *A Touch That Awakens the Soul* is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page **Audrey's Mr.**

hope for his chance to win her affections Excerpt Wil turned on his back and opened his eyes He groaned with relief glad the dream was over and he was awake He wasn't overly fond of this dream As a child the occasional recurring dream terrified him As a teen it had made him wonder what was going on in his subconscious As an adult it made him speculate Perhaps he should visit a psychologist The setting wasn't always the same but it evoked the same feelings not fear any longer yet strange He didn't actually see himself but he felt the tentacles and he knew they were his arms and legs That was the weird part of the dream The part that he didn't mind at all was the woman who stood on the dais Her flowing garment was sheer and spun from silk and she wore a gold ankh pendant across her chest and a golden diadem with an ostrich feather at the front on her straight black hair Behind her was a royal throne garbed in red silk Wil had long since deduced she was an Egyptian Queen from ancient times She did not appear afraid of his appearance almost as if she did not see the tentacles as she smiled at him admiration and warmth in her onyx gaze She was as beautiful in form as were her thoughts and her soul inexplicably clear to him And he as the creature loved her The dream puzzling as ever Wil ran a nervous hand through his darkened hair What was his subconscious trying to tell him He took a deep breath and climbed out of bed A steaming cup of coffee sweetened with cream and sugar followed by a nutritious breakfast would help him shake off the dream's effects Audrey is the great granddaughter of Elizabeth Grace whose story is told in the author's novellas and novel The Adventures of Grace Quinlan and Lord William Hayden
