has good sense am not very excited about reading anyone s books but His or seeing anyone s performances but His But this is obviously to be short sighted You should buy this book right now not only because it is very very good but also because it is very very important This book is cheaper and earns its author the highest royalty possible anywhere only if purchased directly from this site Be warned that the title of this book is not Pagan Hordes of Israel so this a book that many in America will not like Any Christian that ever fails or isn t wealthier than Bill Gates at birth is under attack but you have to be one of the real ones to have it this way There are at least three kinds of failures in life The first kind doesn t believe in himself when he obviously has the talent the second and more common kind believes in and relies upon only himself but not God and the third kind doesn t believe in utilize adequately compensate or even acknowledge an obvious winner we the gods know this and that all three kinds are losers Everybody should simply ask God for wisdom insight understanding discernment and good sense like I did when I was a nine year old boy and He will surely give you these things You guys are the ones that have to put in my cause for beatification with the Vatican I can t do this myself More info available at TheKingdomSeekerOne Blogspot Com and YouTube channel TFADAM16
