Instagram: How a Photo-Sharing App Achieved a \$1 Billion Facebook Buyout in 18 Months Sarita Harbour, 2012-07-30 ABOUT THE BOOK On April 5 2012 Instagram was valued at 500 million dollars as part of a new round of funding with investors Just a few days later Mark Zuckerberg CEO of Facebook negotiated to buy it for 1 billion 300 million cash and 700 million in Facebook shares CNN called it one of the biggest deals in recent business tech history not too shabby for a business only 18 months old and a great inspiration to small companies everywhere However Facebook's acquisition received mixed reviews and many raised eyebrows in the technology and business world As details emerge regarding the buyout and as analysts scramble to make sense of the deal there are many questions How did Zuckerberg and

Kevin Systrom of Instagram arrive at a figure of 1 billion What implications does this deal have for Facebook when it goes public in an expected Initial Public Offering in May 2012 Why does Facebook want Instagram so badly What can businesses learn from this deal and how the heck did a tiny company without any revenue become so desirable in just 18 months While Instagrams buyout by Facebook was viewed by many as a surprise acquisition it illustrates the increasing importance of the image based social sharing platforms in today s technology business world Facebook already had a photo sharing mobile photo sharing program but it was slow to load and clumsy to use For the past several years a team had been working on developing a solution As recently as last summer rumours circulated about a Facebook iPhone photo sharing application that would make it easier for users to upload edit and share their photos With changes in team members and little to show for their work nothing more was heard of Facebook s progress until February 2012 when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem Zuckerberg was reported in the New York Times piece With Instagram Deal Facebook Shows its Worth as saying We don t plan on doing many more of these if any at all but providing the best photo sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together It is safe to assume that Facebook s own product was not working out as hoped leading Zuckerberg to buy the best photo sharing experience instead of developing it In addition to examining details of the acquisition there are broader issues to address How can businesses use Instagram and Facebook to build their own brands What does this deal say about Facebook s predictions for the mobility market and photo sharing platforms While Zuckerberg s official statement is that Instagram will continue operating as a separate platform from Facebook and that people who have Instagram but aren t on Facebook can continue using their favorite app how will Instagram change now that it is owned by Facebook In this book we will address these questions and review a quick history of Instagram We ll examine the events of Easter weekend that led to the Instagram buyout and get a glimpse into the fast moving world of high tech business and multi billion dollar companies EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid 1 billion for a business that doesn t have any revenue Why In a nutshell Facebook purchased Instagram to take custody of its users before Facebook competitors did to strengthen its position in the mobile phone market and to get rid of a potentially difficult competitor As people in the tech world often say money follows the users The recent availability of Instagram for Android users had Zuckerberg concerned especially when the Instagram user population jumped by 10 million people in 10 days buy the book to continue reading

Bestselling author Lily Lee is on a short deadline to deliver her new career guide *How to Land the Perfect Job* and she's been interviewing at all the top companies around town. But when she's offered a coveted position at her dream company, the employer's background check reveals she never actually finished her college degree. Unbelievably, her worst nightmare has come true. Lily returns to her alma mater to relive her senior year of college after walking across the stage at graduation a decade earlier. Just as she starts getting used to the idea of being a student again, things get even more weird and chaotic when she discovers her computer science TA is her old college boyfriend Jake Cho. As Lily and Jake reconnect, she sees that her late-blooming ex has done well for himself; the handsome, charming grad student appears to have his life together while Lily's on the brink of losing her reputation and her book deal. Told in present day with glimpses of the past, *The Do Over* is a delightfully warm and hopeful story about second chances in life and love and how the future might not be a straight line, but we still end up exactly where we're supposed to be. *Taylor Swift: Her Story - Updated Fan Edition* Grace

One Moment in Time Lauren Barnholdt, 2015-06-16 The second book of Lauren Barnholdt's exiting *Moment of Truth* series. Three books, three girls, one life-changing senior trip. When the email arrived in Quinn Reynolds's inbox on the morning of her flight to Florida, she sent it straight to her trash folder. The last thing Quinn needed was to be reminded of the pact she made with her ex-best friends: the one where she promised she would do something crazy before graduation. But that was before everything on the trip went wrong. Now, after a lifetime of playing it safe, Quinn figures that she might as well get a little wild. After all, what does she have to lose? When Abram, a local boy she met on the beach, asks her to hang out, she says yes. But while a vacation romance could be the best way to fulfill the pact, it might be the worst thing for her heart. Each book in this trilogy is told from the perspective of a different girl: Lyla Aven and Quinn, former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each girl will learn about life, love, and the truth about the fight that ended their perfect friendship. **Likeable Business: Why Today's Consumers Demand More and How Leaders Can Deliver** Dave Kerpen, Theresa Braun, Valerie Pritchard, 2012-10-30 It pays to be LIKEABLE. Instagram Deal Introduction

In the digital age, access to information has become easier than ever before. The ability to download Instagram Deal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Instagram Deal has opened up a world of possibilities. Downloading Instagram Deal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Instagram Deal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Instagram Deal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Instagram Deal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Instagram Deal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Instagram Deal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Instagram Deal Books

What is a Instagram Deal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Instagram Deal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Instagram Deal**
