Cosmopolitan , 1992 Close Liaisons Anna Zaires, 2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s

impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding *Tea You at the Altar* Rebecca Thorne,2025-03-04 The Princess Bride meets Bookshops and Bonedust in the third book of the Tomes Tea series where our favorite lesbian pirates must navigate the ultimate maelstrom their own wedding Kianthe and Reyna are ready to finally walk down the aisle in just seven days their wedding of a lifetime will be a reality There s loads to do but like all best laid plans everything seems to be going awry Between their baby dragons causing mayhem in Tawney Kianthe s uptight parents inviting themselves to the wedding and Reyna becoming embroiled in a secret plot to overthrow Queen Tilaine the world seems against them how are they going to live long enough to say I do *Pour Decisions* Katrina Marie,2025-08-07 He s my best friend there s no way I can act on my feelings for him Every day it s the same thing when I clock in at our family owned winery Take pictures post them online and answer emails Rinse and repeat I have big ideas to take Starlit Fields Winery to the next level but my family won t listen The one person who always has my back is my best friend Beau He s the best hype man I could hope for and has been since we were teenagers With his help I ve put together a presentation to knock the socks off my family Except it doesn t work After a drunken night to blow off some steam I do the one thing I know I shouldn t Kiss him Now things are awkward To make

matters worse he s still helping me convince my family I know what I m doing Did I ruin our friendship Or open the door for something more

Bonnie R. Paulson, 2025-08-01 I'm Alex a tough as nails motorcycle repo specialist who can handle any angry customer except apparently one mysterious artist named Alexander Glass His packages keep showing up at my house and I'm getting tired of playing unwilling mail service So I do what any reasonable woman would do I track him down Big mistake Xander Glass is brooding talented and completely unimpressed by my arrival on his doorstep with an armload of his misdelivered art supplies He's also devastatingly attractive in that tortured artist way that should come with a warning label Even bigger mistake I can't seem to stay away What starts as returning packages turns into fixing his equipment which turns into watching him work which turns into feelings I definitely didn't sign up for But every time we get close his sophisticated ex-wife appears to remind me that girls like me don't belong in his refined art world She's probably right I mean what does a motorcycle mechanic know about gallery openings and Italian art residencies But when Xander gets the opportunity of a lifetime six months studying in Florence everything changes Now I have to decide am I brave enough to follow my heart across an ocean or will I let fear send me back to my safe solitary life Sometimes the best love stories start with the wrong

address **ENDLESS LOVE, ROMANCE , AND INTIMACY** Bukunya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring ex ample of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You ve ever Wanted isn t Enough Harold Kushner writes lam afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
