Everyday Miracles David Spangler, 2008-10-01. This is a new edition of David Spangler's classic book on manifestation. It has been out of print for some time but the comments of Willis W. Harman, Former President, Institute of Noetic Sciences are still relevant. A number of recent writers have set out to unveil our amazing power to manifest what we want, none have made it so clear that true effectiveness comes from choosing to align what we want with the transpersonal will as Spangler terms it. His book is lively and easy to read, his clarity, simplicity and deep wisdom are inspiring. **Manifesting** Kris Ferraro, 2021-08-24.
