Dodging Angels on Saturday Graeme Garrett,2005 Of many surprising experiences that life has brought two stand out for me God and children Neither turned out to be anything like I

had been lead to expect God was big in my family of origin big enough to lure me into a life of faith But I hardly knew what I was getting into Then I married and had two daughters At the time I thought you had children while you got on with the rest of your life That idea turned out to be wide off the mark as well Parents sometimes ask their children usually in the light of some misdemeanor What have you got to say for yourself But that question can as readily be put the other way After all we bring our children without consultation into the world They have to live with the circumstances we create until age and stage give them a choice This book is an attempt at an answer to the implied questions of the rising generation Of all possibilities available why did you choose to live as a believer And what on earth has that to do with us The author an Anglican theologian at St Mark s National Anglican Theological College in Canberra Australia and has previously written for Liturgical Press in the US Spell It Out Morgana Best,2018-01-22 *The Predictable Heartbreaks of Imogen Finch* Jacqueline

Firkins,2023-10-31 Jacqueline Firkins s *The Predictable Heartbreaks of Imogen Finch* is a beautiful story of friendship and second chances at love Imogen Finch has just been through her seventeenth breakup She saw it coming so she s not as crushed as she might be but with all seventeen of her exes leaving her for other partners she s come to believe a prediction her well intentioned and possibly clairvoyant mother made over twenty years ago that Imogen would never come first at anything or to anyone Is her love life failing due to a magical curse Insufficient effort Poor timing or personality mismatches Everyone has opinions on the matter Imogen s ready to give up altogether But when Eliot Swift her secret high school crush returns to their small coastal town after a decade of nomadic travels Imogen has new motivation to try again Eliot s full of encouragement He suggests that her curse is not only imagined it s easily breakable All they need is one win any win and she can believe in love and in herself again From trivia games to swimming races to corn shucking contests the pair sets out to snag Imogen her first first But when victory proves more elusive than Eliot anticipated and when his deep seeded wanderlust compels him to depart for far away places Imogen fears she s destined to remain in second place forever Fortunately for them both sometimes magic lingers in the most unexpected places And love is far from predictable **The Clean Freak**
