Reading and Writing in Elementary Classrooms Patricia Marr Cunningham, 2004 This K-4 text follows the style of the successful Cunningham Allington franchise. It is very practical with tons of activities and grounded on solid research. With new chapters on Fluency Assessment and a new organization, this text offers the most current insight on thinking processes on reading and writing as language and on the importance of the affective domain.

Reading and Writing in Elementary School Classrooms 4e was well conceived and will only grow in popularity as more and more teachers seek support for the teaching of reading. The book is a great effort on the part of the authors.

Professor Lee T. Person, Ed.D., Associate Dean for Education, Ottawa University

It's clear that these authors know the research, know the history of reading instruction, and know the classroom. They have a keen sense of how to help the teachers move forward in understanding and implementing good literacy practices by utilizing new insights without being iconoclastic.

Professor James Rooks, Calvin College

The pedagogical elements of the text are excellent. One of the things I like best about the book is the inclusion of the appropriate activities within each chapter so that students can read about and practice the concepts first hand.

Professor Luther R. Kirk, Longwood University
