Box Office Prices Store Hours:

The Business of Broadway Mitch Weiss, Perri Gaffney, 2015-07-14 New York's Broadway theatre scene has long been viewed as the top of the heap in the world theatre community. Taking lessons from the very best, this innovative guide delves into the business side of the renowned industry to explain just how its system functions. For anyone interested in pursuing a career on Broadway or who wants to grow a theatre in any other part of the world, *The Business of Broadway* offers an in-depth analysis of the infrastructure at the core of successful theatre. Manager/producer Mitch Weiss and actor/writer Perri Gaffney take readers behind the scenes to reveal what the audience and even the players and many producers don't know about how Broadway works, describing more than 200 jobs that become available for every show. A variety of performers, producers, managers, and others involved with the Broadway network share valuable personal experience in interviews, discussing what made a show a hit or a miss and how some of the rules, regulations, and practices that are in place today were pioneered. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Business and Legal Forms for Theater, Second Edition Charles Grippio, 2013-02-05 Here is a complete, easy-to-use resource for anyone involved in the performing arts. These ready-to-use forms and contracts are also available to download using the provided password and cover every aspect of theater law, including author agreements, commissions, production license, play publishing, and more. New to this edition are contracts for performing arts designers, fight and stunt directors, musicians, stage managers, and technical directors; front-of-the-house personnel commissions for original musical compositions; and much more.
