Records and Briefs.** New York (State)., **California Lawyer** ,1992 *Microtimes* ,1995-11 *Cosmopolitan* ,1992 [Love Me Now, Stupid](#) Matthew-Jonathan Satcher,2023-09-14 Love Me Now Stupid is a captivating e book book about romance That delves into the complexities of human relationships and the power of love Written with a raw and honest voice this book takes you on a journey through the ups and downs of love from the initial spark to the heart wrenching moments of heartbreak With insightful advice and relatable anecdotes Love Me Now Stupid is the perfect guide for anyone navigating the confusing and often frustrating world of love Whether you re single in a relationship or somewhere in between this book will leave you feeling inspired empowered and ready to take on whatever the future holds So what are you waiting for Dive in and start your journey toward true love today **ENDLESS LOVE, ROMANCE , AND INTIMACY** Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one

domain in which our longing for love is talked about. Movies, music magazines and books are the place where we turn to hear our yearnings for love expressed. Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe. All you need is love. Nowadays the most popular messages are those that declare the meaninglessness of love, its irrelevance. A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring 'What's Love Got to Do with It'. I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm. Love, what's that? Have never had any love in my life. Youth culture today is cynical about love. And that cynicism has come from their pervasive feeling that love can not be found. Expressing this concern in 'When All You've Ever Wanted Isn't Enough', Harold Kushner writes 'I am afraid that we may be raising a generation of young people who will grow up afraid to love, afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out. I am afraid that they will grow up looking for intimacy without risk, for pleasure without significant emotional investment. They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy. Young people are cynical about love. Ultimately cynicism is the great mask of the disappointed and betrayed heart. When I travel around the nation giving lectures about ending racism and sexism, audiences, especially young listeners, become agitated when I speak about the place of love in any movement for social justice.'

A Necromancer's Guide to Dating LUCY. QUINN, 2025-07-21. She's a scientist who trusts logic. He's a necromancer who trusts his gut. Their witness is a ghost who trusts his own matchmaking skills. Dr. Eva Mortensen believes in rules, order and the quiet company of the dead. As the top forensic necromancer for the Bureau of Unnatural Affairs, her job is to get the facts, close the case and keep her distance. But when a celebrity romance novelist is murdered, she's forced to partner with the one man who breaks all her rules, the charming, chaotic and infuriatingly intuitive Dr. Adam Thorne. Their only witness is the victim himself, the ghost of Alistair Finch. And he's not talking. Alistair refuses to name his killer until Eva and Adam can prove they understand the very thing he built his empire on: true love. His condition is simple and insane: They must go on a series of dates and he will be the judge of their romantic progress. Now, a by-the-book scientist and a go-with-the-flow psychic must fake a relationship to solve a murder. Between disastrous dinners, high stakes heists and escape rooms from hell, they uncover a conspiracy that goes far deeper than a single crime. But as their pretend dates start to feel dangerously real, Eva and Adam discover that the ghost's ridiculous demands might be the key to not only solving the case but also to healing the scars they've hidden from the world. And the greatest mystery of all might not be who killed Alistair Finch, but what happens when their forced proximity leads to an undeniable spark. *A Necromancer's Guide to Dating* is a full-length standalone romantic comedy with a paranormal mystery, witty banter and a guaranteed happily ever after.

[Pour Decisions](#) Katrina Marie, 2025-08-07. He's my best friend, there's no way I can act on my feelings for him. Every day it's the same thing: when I clock in at our family-owned winery, take pictures, post them online and answer emails. Rinse

and repeat I have big ideas to take Starlit Fields Winery to the next level but my family won't listen The one person who always has my back is my best friend Beau He's the best hype man I could hope for and has been since we were teenagers With his help I've put together a presentation to knock the socks off my family Except it doesn't work After a drunken night to blow off some steam I do the one thing I know I shouldn't Kiss him Now things are awkward To make matters worse he's still helping me convince my family I know what I'm doing Did I ruin our friendship Or open the door for something more
