**Illegal Literature** David S. Roh, 2015-12-31 What is the cultural value of illegal works that violate the copyrights of popular fiction Why do they persist despite clear and stringent intellectual property laws Drawing on the disciplines of new media law and literary studies Illegal Literature suggests that extralegal works such as fan fiction are critical to a system that spurs the evolution of culture Reconsidering voices relegated to the cultural periphery David S. Roh shows how infrastructure in the form of legal policy and network distribution slows or accelerates the rate of change He analyzes the relationship between intellectual property rights and American literature in two recent copyright disputes And in comparing American fan fiction and Japanese dojinshi he illustrates how infrastructure and legal climates detract from or encourage fledgling creativity Illegal Literature fills a crucial gap between the scholarly and the popular by closely examining several modes of marginalized cultural production Roh makes the case for protecting an environment conducive to literary heresy the articulation of an accretive rather than solitary authorial genius and the idea that letting go rather than holding on is important to a generative creative process In a media ecology inundated by unauthorized materials Illegal Literature argues that the proliferation of unsanctioned texts may actually benefit literary and cultural development

**iPad Application Development For Dummies®** Neal Goldstein, Tony Bove, 2011-01-07 Create apps for the hottest device on the market the iPad iPad application development is the new gold rush iPad sales are booming and new apps are arriving daily Whether you're a serious programmer new to the iPad or a beginner who wants to get started in app development this easy to follow guide will help you join the party It begins with the basics about the SDK and becoming a registered Apple developer looks at how an iPad application runs and takes you through actually creating two applications step by step The

iPad is the hottest selling device on the market and the demand for cool iPad apps remains huge This guide is perfect for beginners who want to get started developing iPad apps as well as professional programmers new to the iPad SDK Explains how to download and use the iPad SDK and how iPad programming differs from iPhone programming Tells how to create a great user experience and explains nib files views view controllers interface objects gesture recognizers and much much more Turn your ideas into lucrative iPad apps with the great advice in iPad Application Development For Dummies 2nd Edition Note Apple's iOS SDK tools are only accessible on Intel powered Mac and MacBook devices

**Driving Consumer Engagement in Social Media** Anna Bianchi, 2020-12-10 Summarizing the extant research on marketing communications social media and word of mouth this book clarifies terms often incorrectly and interchangeably used by scholars and marketers and provides principles of effective marketing communications in social media for different brand types and in different geographic markets Conversations among consumers on social media now have an unprecedented ability to shape attitudes toward people products services brands and to influence buying decisions Consequently the digital era brings to the fore the importance of interpersonal relations and the power of personal recommendations This book is the first to empirically investigate how the form and appeal of marketing communications in social networks influence electronic word of mouth including an examination of brand type and geographic market The author focuses on motivations and reveals why people exchange opinions about brands products and services in the digital environment The book summarizes the existing research on marketing communications social media and word of mouth provides a cutting edge knowledge based on the analysis of the actual behavior of consumers and rules of effective marketing communications in social media This research based book is written for scholars and researchers within the fields of marketing and communication It may also be of interest to a wider audience interested in understanding how to use social media to influence electronic word of mouth

**Predictive Marketing** Omer Artun, Dominique Levin, 2015-08-06 Make personalized marketing a reality with this practical guide to predictive analytics Predictive Marketing is a predictive analytics primer for organizations large and small offering practical tips and actionable strategies for implementing more personalized marketing immediately The marketing paradigm is changing and this book provides a blueprint for navigating the transition from creative to data driven marketing from one size fits all to one on one and from marketing campaigns to real time customer experiences You'll learn how to use machine learning technologies to improve customer acquisition and customer growth and how to identify and re engage at risk or lapsed customers by implementing an easy automated approach to predictive analytics Much more than just theory and testament to the power of personalized marketing this book focuses on action helping you understand and actually begin using this revolutionary approach to the customer experience Predictive analytics can finally make personalized marketing a reality For the first time predictive marketing is accessible to all marketers not just those at large corporations in fact many smaller organizations are leapfrogging their larger counterparts with innovative programs This book shows you how to bring

predictive analytics to your organization with actionable guidance that get you started today Implement predictive marketing at any size organization Deliver a more personalized marketing experience Automate predictive analytics with machine learning technology Base marketing decisions on concrete data rather than unproven ideas Marketers have long been talking about delivering personalized experiences across channels All marketers want to deliver happiness but most still employ a one size fits all approach Predictive Marketing provides the information and insight you need to lift your organization out of the campaign rut and into the rarefied atmosphere of a truly personalized customer experience
