magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents, but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty.

Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long hidden history on a path that will ultimately lead either to devastation or to redemption.

Based on one of America's most notorious real-life scandals, in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country, Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how even though the paths we take can lead to many places, the heart never forgets where we belong.

Publishers Weekly's 3 Longest Running Bestseller of 2017, Winner of the Southern Book Prize, and an If All Arkansas Reads the Same Book Selection, this edition includes a new essay by the author about shantyboat life.

She has been gone for six months, and a lot can happen in that time. Tess is slapped with this reality just when she thinks life couldn't get any more complicated. 1 NEW YORK TIMES BESTSELLER. The New York Times bestselling author of *A Man Called Ove* and *Anxious People* returns with an unforgettably funny, deeply moving tale of four teenagers whose friendship creates a bond so powerful that it changes a complete stranger's life. Twenty-five years later, most people don't even notice them: three tiny figures sitting at the end of a long pier in the corner of one of the most famous paintings in the world. Most people think it's just a depiction of the sea. But Louisa, an aspiring artist herself, knows otherwise, and she is determined to find out the story of these three enigmatic figures. Twenty-five years earlier, in a distant seaside town, a group of teenagers find refuge from their bruising home lives by spending long summer days on an abandoned pier, telling silly jokes, sharing secrets, and committing small acts of rebellion. These lost souls find in each other a reason to get up each morning, a reason to dream, a reason to love. Out of that summer emerges a transcendent work of art, a painting that will unexpectedly be placed into eighteen-year-old Louisa's care. She embarks on a surprise-filled cross-country journey to learn how the painting came to be and to decide what to do with it. The closer she gets to the painting's birthplace,
