*Changing News Use* Irene Costera Meijer,Tim Groot Kormelink,2020-11-09 *Changing News Use* pulls from empirical research to introduce and describe how changing news user patterns and journalism practices have been mutually disruptive exploring what journalists and the news media can learn from these changes Based on 15 years of audience research the authors provide an in depth description of what people do with news and how this has diversified over time from reading watching and listening to a broader spectrum of user practices including checking scrolling tagging and avoiding By emphasizing people's own experience of journalism this book also investigates what two prominent audience measurements clicking and spending time mean from a user perspective The book outlines ways to overcome the dilemma of providing what people apparently want attentiongrabbing news features and delivering what people apparently need what journalists see as important information suggesting alternative ways to investigate and become sensitive to the practices preferences and pleasures of audiences and discussing what these research findings might mean for everyday journalism practice The book is a valuable and timely resource for academics and researchers interested in the fields of journalism studies sociology digital media and communication

**Encyclopedia of Journalism** Christopher H. Sterling,2009-09-23 Written in a clear and accessible style that would suit the needs of journalists and scholars alike this encyclopedia is highly recommended for large news organizations and all schools of journalism Starred Review Library Journal Journalism

permeates our lives and shapes our thoughts in ways we've long taken for granted. Whether we listen to National Public Radio in the morning, view the lead story on the Today show, read the morning newspaper, headlines stay up to the minute with Internet news, browse grocery store tabloids, receive Time magazine in our mailbox or watch the nightly news on television, journalism pervades our daily activities. The six volume Encyclopedia of Journalism covers all significant dimensions of journalism, including print, broadcast and Internet journalism, U.S. and international perspectives, history, technology, legal issues and court cases, ownership and economics. The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H. Sterling of The George Washington University. In the A to Z volumes 1 through 4, both scholars and journalists contribute articles that span the field's wide spectrum of topics, from design, editing, advertising and marketing to libel, censorship, First Amendment rights and bias to digital manipulation, media hoaxes, political cartoonists and secrecy and leaks. Also covered are recently emerging media such as podcasting, blogs and chat rooms. The last two volumes contain a thorough listing of journalism awards and prizes, a lengthy section on journalism freedom around the world, an annotated bibliography and key documents. The latter, edited by Glenn Lewis of CUNY Graduate School of Journalism and York College, CUNY, comprises dozens of primary documents involving codes of ethics, media and the law and future changes in store for journalism education. Key Themes: Consumers and Audiences, Criticism and Education, Economics, Ethnic and Minority Journalism, Issues and Controversies, Journalist Organizations, Journalists, Law and Policy, Magazine Types, Motion Pictures, Networks, News Agencies and Services, News Categories, News Media, U.S. News Media, World Newspaper Types, News Program Types, Online Journalism, Political Communications, Processes and Routines of Journalism, Radio and Television Technology.
